Defiance: The Bielski Partisans by Nechama Tec : Nechama ...
In her book, "Defiance: The Bielski Partisans", Nechama Tec depicts an amazing tale of Jewish resistance and rescue on the eastern front during World War II. At the pith of this movement was one Tuvia Bielski, the commander of the large Jewish partisan outfit that roamed the Belorussian woods, constantly trying to avoid contact with the Germans.

The prevailing image of European Jews during the Holocaust is one of helpless victims, but in fact many Jews struggled against the terrors of the Third Reich. In Defiance, Nechama Tec offers a riveting history of one such group, a forest community in western Belorussia that would number more than 1,200 Jews by 1944–the largest armed rescue operation of Jews by Jews in World War II. Tec reveals that this extraordinary community included both men and women, some with weapons, but mostly unarmed, ranging from infants to the elderly. She reconstructs for the first time the amazing details of how these partisans and their families–hungry, exposed to the harsh winter weather–managed not only to survive, but to offer protection to all Jewish fugitives who could find their way to them. Arguing that this success would have been unthinkable without the vision of one man, Tec offers penetrating insight into the group's commander, Tuvia Bielski. Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents, wife, and two brothers to the Nazis, yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans. She shows how, under Bielski's guidance, the partisans smuggled Jews out of heavily guarded ghettos, scouted the roads for fugitives, and led retaliatory raids against Belorussian peasants who collaborated with the Nazis. Herself a Holocaust survivor, Nechama Tec here draws on wide-ranging research and never before published interviews with surviving partisans–including Tuvia Bielski himself–to reconstruct here the poignant and unforgettable story of those who chose to fight.

The heroic story of Jewish resistance and survival during the Second World War.

SUPERANNO Essie's life in the Bielski Partisan camp is full of danger, adventure, and intrigue. Just sixteen when the Nazis invaded her town, Essie escaped at night to become one of the first twenty-five Jews in the encampment featured in the movie Defiance that would eventually save 1,200 Jews. Essie became a teenage partisan, a guerilla fighter in the resistance. Sixty years later, she finally shares her story.

It sounds like something from ancient mythology- three brothers living near the edge of a forest witness the coming of an invading army. They arm themselves, take to their horses and seek refuge in the woods they know as well as they know anything. The enemy arrives and systematically starts killing the long-oppressed minority to which the brothers belong. Horrified and angered, they lead guerrilla attacks against the enemy's installations and exact vicious revenge on local collaborators. Prompted by the eldest, who is selected as commander, the brothers and a growing numbers of warriors begin a campaign to save all their people, including the weak, the young, the old, the sick. Slowly the group evolves into a makeshift forest city with a hospital, workshops, a school and even a bathhouse. When the invading army retreats, the brothers emerge from the woods- the saviours of 1,250 people.

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle ' s shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942–43 and became Jewish partisans who fought back against the Nazis. The couple ' s careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle ' s story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. " A story of heroism and of touching romance in a time of fear and danger. " —USA Today

The author describes how her family escaped the Nazi destruction of the Polish Jewish community by pretending to be Christians and hiding out with Catholic families

Moving first-hand accounts of Jewish resistance during the Holocaust are supported by photographs, ritual objects, and art produced clandestinely by Jews in ghettos and camps. Several entries are from well-known resistance figures such as Abba Kovner, the first to raise a cry for armed Jewish resistance; Rabbi Leo Baeck, who spearheaded attempts to save German Jewry; and Dr. Janusz Korczak, who protected 200 orphans in the Warsaw Ghetto. This anthology of written and visual materials illustrates the tremendous resourcefulness, diverse methods, and daring initiatives of Jewish men and women in occupied countries who risked their lives defying their Nazi oppressors, saving their fellow Jews, and preserving their Jewish traditions.
