Two additional chapters have been added to this resource in response to the training package updates in March 2015 that affected BSB42015 and BSB61915. These chapters are: Develop and use emotional intelligence and Leading and working with people. Looking for a blended digital solution? Get Connect! Connect is an online resource hosting an abundance of interactive learning tools to create the ultimate learning experience for your students. Click here for more information. The new edition of Judith Dywers best-selling Management text has been updated and mapped to both Certificate IV in Frontline Management and Diploma of Management in the BSB07 Business Services Training Package. Written in plain English, with extensive use of succinct tables, diagrams and a full-colour internal design, this text conveys information to the reader easily and is ideal for visual learners. The text encourages learning with a logical pathway: the theory is presented, the reader is asked to reflect with Ask Yourself questions and then the student is engaged in practical applications with Apply Your Knowledge sections. This is an invaluable teaching tool for all management students and lecturers in the VET sector. Scope Management Strategies and Skills, 2e is mapped to both Certificate IV in Frontline Management and Diploma of Management in the BSB07 Business Services Training Package.

The Business Communication Handbook, 11e helps learners to develop competency in a broad range of communication skills essential in the 21st-century workplace, with a special focus on business communication. Closely aligned with the competencies and content of BSB40215 Certificate IV in Business and BSB40515 Certificate IV in Business Administration, the text is divided into five sections: - Communication foundations in the digital era - Communication in the workplace - Communication with customers - Communication through documents - Communication across the organisation Highlighting communication as a core employability skill, the text offers a contextual learning experience by unpacking abstract communication principles into authentic examples and concrete applications, and empowers students to apply communication skills in real workplace settings. Written holistically to help learners develop authentic communication-related competencies from the BSB Training Package, the text engages students with its visually appealing layout and full-colour design, student-friendly writing style, and range of activities.

Training and Assessment - Theory and Practice, 1e covers all core units and essential elective units of TAE40116 Certificate IV in Training and Assessment. It takes both theoretical and pragmatic approaches to help learners gain essential knowledge and skills through solid and well-researched theories by respected authors. Each chapter is a self-contained unit that offers sufficient volume of learning and volume of assessment to support delivery of training and assessment. Designed as part textbook/part workbook, the A4 spiral bound, full-colour format increases student engagement particularly for visual and experiential learners. A customisable premium Assessment Pack can be purchased separately to help institutions design, develop and administer assessments more effectively and efficiently.
