Celtic Myths and Legends: Ellis, Peter Berresford ...

Celtic Mythology, also known as the mythology of Celtic 'polytheism', dates back to the early centuries and have survived through oral tradition, mainly storytelling. These legends and sagas were first recorded by Christian monks in Ireland and by Norman invaders in England. Most of the records were taken around the 11 th century. Some of the stories have become popular, especially the Arthurian romances.

Celtic Mythology - Gods, Symbols, Myths and Legends

Myths and Legends. The Mabinogion is a collection of stories, based on the myths from the ancient Celts. The Celts did not write their myths and stories down. Instead, bards, or musical storytellers, told the myths over and over in song. ... Irish and Celtic myths - background and examples

Ancient Celts Myths and Legends - Iron Age Celts for Kids

This fairy is known in Irish mythology as a headless rider on a black horse, carrying their head in their arm. He was said to ride fast through the counties of Down and Sligo, and if he suddenly stopped, it meant that someone in the community was due to die. This legend gave inspiration for the character in Sleepy Hollow, played by Johnny Depp.

The 10 most famous MYTHS and LEGENDS from Irish folklore

Celtic mythology is the mythology of Celtic polytheism, the religion of the Iron Age Celts. Like other Iron Age Europeans, the early Celts maintained a polytheistic mythology and religious structure. For Celts in close contact with Ancient Rome, such as the Gauls and Celtiberians, their mythology did not survive the Roman Empire, their subsequent conversion to Christianity and the loss of ...

Developed from an early oral storytelling tradition dating back to the dawn of European culture, this is one of the oldest and most vibrant of Europe's mythologies. From all six Celtic cultures - Irish, Scots, Welsh, Cornish, Manx and Breton - Peter Berresford Ellis has included popular myths and legends, as well as bringing to light exciting new tales which have been lying in manuscript form, untranslated and unknown to the modern general reader. The author brings not only his extensive knowledge of source material but also his acclaimed skills of storytelling to produce an original, enthralling and definitive collection of Celtic myths and legends - tales of gods and goddesses, heroes and heroines, magical weapons, fabulous beasts, and entities from the ancient Celtic world.

This is an enchantingly told collection of the stirring sagas of gods and goddesses, fabulous beasts, strange creatures, and such heroes as Cuchulain, Fingal, and King Arthur from the ancient Celtic world. Included are popular myths and legends from all six Celtic cultures of Western Europe—Irish, Scots, Manx, Welsh, Cornish, and Breton. Here for the modern reader are the rediscovered tales of cattle raids, tribal invasions, druids, duels, and doomed love that have been incorporated into, and sometimes distorted by, European mythology and even Christian figures. For example, there is the story of Lugh of the Long Hand, one of the greatest gods in the Celtic pantheon, who was later transformed into the faerie craftsman Lugh-Chromain, and finally demoted to the lowly Leprechaun. Celtic Myths and Legends also retells the story of the classic tragic love story of Tristan and Iseult (probably of Cornish origin—there was a real King Mark and a real Tristan in Cornwall) and the original tale of King Arthur, a Welsh leader who fought against the invading Anglo-Saxons. In the hands of Peter Berresford Ellis, the myths

sung by long-dead Celtic bards come alive to enchant the modern reader. "The casual reader will be best entertained by ... the legends themselves ...colored with plenty of swordplay, ... quests, shape-shiftings, and druidic sorcery."—Publishers Weekly

A fascinating and accessible A-to-Z guide to the gods and goddesses, heroes and heroines, magical weapons, fabulous beasts, and otherworld entities that populate the myths of this rich tradition. An easy-to-read handbook that opens a window on centuries of rich oral and written tradition from the mists of Europe's origins.

Celebrates the mythological heritage of Ireland that lives on in folk tales, literature, place names, language, ceremonies, and monuments

Most people have heard of the Celts--the elusive, ancient tribal people who resided in present-day England, Ireland, Scotland and France. Paradoxically characterized as both barbaric and innocent, the Celts appeal to the modern world as a symbol of a bygone era, a world destroyed by the ambition of empire and the spread of Christianity throughout Western Europe. Despite the pervasive cultural and literary influence of the Celts, shockingly little is known of their way of life and beliefs, because very few records of their stories exist. In this book, for the first time, Philip Freeman brings together the best stories of Celtic mythology. Everyone today knows about the gods and heroes of the ancient Greeks, such as Zeus, Hera, and Hercules, but how many people have heard of the Gaulish god Lugus or the magical Welsh queen Rhiannon or the great Irish warrior Cú Chulainn? We still thrill to the story of the Trojan War, but the epic battles of the Irish Táin Bó Cuailgne are known only to a few. And yet those who have read the stories of Celtic myth and legend--among them writers like J. R. R. Tolkien and C. S. Lewis--have been deeply moved and influenced by these amazing tales, for there is nothing in the world quite like them. In these stories a mysterious and invisible realm of gods and spirits exists alongside and sometimes crosses over into our own human world; fierce women warriors battle with kings and heroes, and even the rules of time and space can be suspended. Captured in vivid prose these shadowy figures--gods, goddesses, and heroes--come to life for the modern reader.

Describes the gods, myths, and epic legends of the Celts, discussing their sources, their relationship with Celtic history, and the influence of the Romans.

Hear the tales of Gods, monsters, magic, and more! Warriors, poets, scholars, and visionaries--from the depths of time the ancient Celts have fascinated us. Their rich heritage lives on today. But who were they? From the Druids and fairies to King Arthur and Celtic Christianity, there is much to be learned about these natives of the British and Irish islands. Their stories are fantastic and stirring, and through them, you'll gain a glimpse into what life was like during the Iron Age. These legends, first told through song as people gathered around the fire more than 2,000 years ago, are now here for you to explore. Experience the wonder and wisdom of these mysterious people with *The Book of Celtic Myths*.

Gathers together tales from Ireland, Wales, Brittany and England.

Masterful retelling of Irish and Welsh stories and tales, including Cuchulain, King Arthur, Deirdre, the Grail, and many more. First paperback edition. 58 full-page illustrations and 18 figures.
