This book  
elaborates on  
the rules  
governing the  
prosecution and  
sentencing of  
multi-offenders.  
The term 'multi-  
offender' is  
used for an  
offender that

# Download File PDF Chapter 20

has committed a series of offences (either in one single act or in different acts); hence the addition of 'multi' in 'multi-offender'. A crucial element thereto is that the whole series of offences -

which make the offender a multi-offender – has been committed before being subject to a final conviction. A comparative EU-study was conducted, focussing on the rules governing multi-offenders

within different  
EU Member  
States. It  
reveals that  
this type of  
offenders  
challenge both  
the legislator  
and the  
prosecution and  
judges: when the  
offences are  
prosecuted in
