Strap in and enjoy a rollicking ride through worlds of magic with six sizzling series starters from some of today's hottest urban fantasy storytellers. Scratch the surface of the real world to find alchemy, were-creatures, and witches waiting! Prepare to fall in love with sexy alphas and the kickass heroines they live to chase. But be sure to keep your hands inside the ride at all times – because when it comes to these urban fantasy tales, love just might bite… From USA Today Bestselling Author Aimee Easterling - Shiftless: After years of suppressing her inner wolf, Terra struggles to forget her old pack. But when her past finally comes calling, she has no choice but to reclaim the predator within. From USA Today Bestselling Author Sylvia Frost - Moonbound: Seven years ago, werebeasts murdered Artemis's family and marked her as the mate of a monster. Now that monstrous mate has tracked her down and threatens to make her his own. From USA Today Bestselling Author Tasha Black - Bite This!: Darcy Harkness has never relied on the kindness of strangers, and she certainly doesn't want to get involved with a professional magician. Even if he's tall, dark and handsome. Even if he seems to show up every time the you-know-what hits the fan. Even if he turns the bad-ass she-wolf into a trembling mess every time he touches her. From Bestselling Author Val St. Crowe: A Symphony of Howls: Camber lives in a world where werewolves are shot on sight, and she is feeling the call of the moon. If she hopes to survive, she must leave behind everything she's ever known, crossing the fences that keep werewolves out, venturing into the wild woods beyond. From Bestselling Author Marina Finlayson - Moonborn: Since childhood, Garth has lived on the edges of the pack, the human stepson of the pack leader and an eternal outsider. He always dreamed of becoming a werewolf—until one day he got his wish. From Bestselling Author L. M. Hawke - Black Moon Sing: A dark force is targeting a secret enclave of shapeshifters in the desert southwest, delivering them to grisly fates. Suspected of witchery and cast out of her human society, it's up to Ellery Chee, a lone coyote shifter, to stop this dangerous magician before her world disappears into thin air.

Meister Eckhart on Divine Knowledge is not only the most profound study of the core theological and philosophical themes of Christianity's greatest mystic ever written. It is also the greatest exegesis of Christian non-dualism ever published. Of all Christian mystical teachings, those of the Dominican theologian Meister Eckhart (c. 1260–c. 1328) are increasingly recognized as the most compatible with the non-dualistic traditions of Buddhism and Hinduism. Based on the author's three decades of formal study and spiritual practice, this book offers a clear path to understanding the breadth and depth of Eckhart's unique achievement. C.F. Kelley argues that the fundamental principle that elevates Eckhart above all other Western mystics, and links him to Eastern spiritual approaches, is his insistence that we "think principally" in divinis—that is, from within the mind or orientation of the Godhead or "Divine Knowledge" itself. "What is here presented to the reader supersedes all former interpretations of Eckhart's teaching. It refuses to ignore what he precisely and repeatedly says cannot be ignored, that is, his exposition of the doctrine of Divine Knowledge in terms of the highest and most essential of all possible considerations." —C.F. Kelley, from the Preface

"I want you on your hands and knees in the sand, right here, right now, and I don't give a f*ck who's watching." There's nothing Layla Hart loves more than a hot, dirty-talking guy taking control… in the pages of her manuscript. But after a devastating breakup, the bestselling romance author has lost her muse. Deadline looming, she's hoping a week at her favorite Cali beach rental will get her juices flowing again. No distractions, no drama—nothing but the pounding surf, the salty ocean breeze… And Trick Harper, the infamous bad boy of punk rock, passed out in her bed. Naked. Hard. And—holy hell—HUGE. Random chicks climbing into his bed in the middle of the night? For rock star Patrick "Trick" Harper, that's just part of the gig—usually. But this spring break, he's taking a sabbatical from sex, holing up in a beachfront cottage to clear his head and finish his latest song. Only one thing can screw up his plans… A ball-busting, sexy-as-hell writer who leaves him aching to make her sing the high notes… preferably while he's fucking her senseless on the beach. With neither willing to relinquish the double-booked rental, the battle of the sexes is on. A no-strings fling with a well-endowed rock star might be just what Layla needs to get her writing groove back… but will the cocky bad boy rise to the occasion, or is this breezy seaside romance doomed to sink? ** A sexy, standalone novella with an HFN and no cliffhanger! ** Beached with the Bad Boy is part of the Bad Boys on Holiday novella series. Each book is a standalone romance and can be read in any order.

Framed for the murder of Queen Tatiana, bodyguard Rose faces the trial of her life as best friend Lissa, a vampire princess, becomes first in line for the royal throne.

Penned by the very first crayon activist, Bellen Woodard, this picture book will tug at readers' heartstrings and inspire them to make a difference! When Bellen Woodard's classmates referred to the "skin colored" crayon, she realized they needed to understand that there were "many beautiful colors". This stunning picture book spreads Bellen's message of inclusivity, empowerment, and the importance of inspiring the next generation of leaders. Bellen created the More than Peach movement and crayons to transform the crayon industry and grow relationships and the way we see our world. And has done just that! This moving book includes back matter about becoming a leader and improving your community just like Bellen! Her wisdom and self-confidence are sure to encourage any young reader looking to use their voice to create change.

Brooklyn Monti is dying. Or at least she thinks she is. Ever since Brooklyn was diagnosed with Huntington's Disease at 19, she's used it to give up on herself. Huntington's has affected her career, her friendships, and her love life. But will she let it control her future? When Brooklyn meets the man of her dreams she must decide whether Huntington's is going to take away the one thing she's always wanted: a family. Broken Petals is the story of a young woman dying to live as she is forced to face her reality and embark on a journey of self-discovery that will change her life forever.

Vibe is the lifestyle guide to urban music and culture including celebrities, fashion, beauty, consumer electronics, automotive, personal care/grooming, and, always, music. Edited for a multicultural audience Vibe creates trends as much as records them.

Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctivly gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda, They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese.

Elizabeth Cotten was only a little girl when she picked up a guitar for the first time. It wasn't hers (it was her big brother's), and it wasn't strung right for her (she was left-handed). But she flipped that guitar upside down and backwards and taught herself how to play it anyway. By age eleven, she'd written "Freight Train," one of the most famous folk songs of the twentieth century. And by the end of her life, people everywhere—from the sunny beaches of California to the rolling hills of England—knew her music. This lyrical, loving picture book from popular singer-songwriter Laura Veirs and debut illustrator Tatyana Fazlalizadeh tells the story of the determined, gifted, daring Elizabeth Cotten—one of the most celebrated American folk musicians of all time. Plus, this is the fixed format version, which looks almost identical to the print edition.
