82 therapist, in the aftermath of her daughter's suicide. On October 11, 2001, Sharon received a phone call in the middle of the night from the New York City Police Department telling her that her seventeen year old daughter Kristin, had "fallen" from the roof of her college dormitory. So began her journey into the labyrinth of unspeakable grief. As the first year drew to a close she found no comfort in traditional therapy, and no solace in spoken or written words. In surrender to her inner art therapist's guidance, she began to create collages. She cut and tore images out

82 sword is missing! Steve believes it's the act of a griefer with a lot of TNT. Devastated, Steve wants to rebuild and find his sword, but with his wheat destroyed, he must call on old friends to help him. All together again, Lucy, Max, and Henry tell harrowing stories of their treasure hunts and conquests, and Steve discusses his strategy for rebuilding. They all go to sleep, excited to begin their plans; but when they wake up, Henry is missing! Looking for Henry in the village, two of Steve's neighbors, Kyra and Adam, have been targeted as well: Kyra's barn was flooded with

82 exploring the grief cycle and emotions that arise after the loss of a loved one. When completed, grief diaries tell the story of daily life through the cycle of grieving, forever giving you a written account from your perspective.. Grief journals and diaries allow you to not only express the feelings that arise after death and loss, but to review your progress through the stages of grief. You need to take time to pause, reflect, and focus on yourself. It is important to express any feelings you may have during the grieving process. Grief work journals and grief work diaries allow

82 you to record thoughts, emotions, and feelings that otherwise may be lost or overlooked. Death and loss can cause intense emotions. Many report feeling relieved or more at peace after expressing these feelings in a grief journal. Reflection through the process of grief is important. Reflecting on a previous state of mind allows you to understand how far you have come. The grief cycle is not always a fluid process, which makes frequent reflection all that more important. It is important to note the changes in mindset and yourself through your writing.
