Packed with over 50 imaginative recipes, including variations on jams, fillings, custards and sauces, as well as helpful hints and insider tips these are eye-catching, versatile donut recipes, perfect for any occasion.

"The American addiction to doughnuts is longstanding and deep-rooted. First there were the lightly sweetened fried doughs of immigrants and pioneers. In the twentieth century, there were waves of doughnut-chain outlets, from Dunkin' Donuts to Krispy Kreme, that made "coffee and a doughnut" practically a prerequisite for making it through a day at work. In recent years, hip, upscale doughnut

boutiques have sprung up from Portland and Seattle to Austin and Brooklyn. Just when you think the doughnut habit might be broken, under the influence of this or that anti-carb or anti-sugar diet, it rises up instead and spreads deeper and wider. Alongside cake pops and cupcakes, doughnuts are here with a vengeance, at once retro and cutting-edge, comforting and new. Doughnuts have the reputation of being hard to make by hand in a home kitchen. To be sure, they can be tricky. But with guidance from an expert baker and a gifted teacher, they can be surprisingly simple and straightforward. Dede Wilson is just that kind of reliable and gentle guide. A contributing editor at *Bon Appetit* and the author of two celebrated books that are the bibles for make-it-yourself wedding cakes (talk about tricky!), the forthcoming *Cake Balls*, and four previous books in this best-selling Baker's Field Guide series, Wilson here demystifies the doughnut-making process, breaking it down into simple, easy-to-follow steps. Along the way she serves up perfectly tested recipes for traditional doughnut favorites and imaginative new creations. A *BAKER'S FIELD GUIDE TO DOUGHNUTS* includes 22 building-block-style "Master Recipes"; 2 are for baked doughnuts, 8 are for fried doughnuts, and the remainder are for glazes and other toppings. For people with different taste and texture preferences, there are both yeast-risen and cake-style doughs. The Master Recipes get put to splendid use in the "Field Guide" section that follows, 69 recipes for all manner of doughnuts--filled and unfilled, frosted and unfrosted--as well as some doughnut cousins, such as fritters, crullers, churros, and beignets. As with other titles in the series, each recipe in the Field Guide has a Description, a Lifespan note (how to store the doughnut, and for how long), a Field Note (extra tidbits about the doughnut's history and ingredients), and other information presented in a visually engaging field-guide format. The Field Guide recipes range from classics like Cinnamon-Sugar Doughnuts, Cider Doughnuts, Chocolate-Sour Cream Doughnuts, and Apple Fritters to surprising and delectable ideas like Cappuccino Doughnuts with Espresso Cream Filling and Apricot-Cardamom Doughnuts. Wilson provides lots of ideas for ways readers can mix and match the master recipes to create their own signature doughnuts beyond the ones in the book, and she dishes out easy-to-follow advice on techniques and equipment (you do not need a deep-fryer, for example, to make doughnuts). Altogether it's an expert treatment of an on-trend culinary subject, full of promises for the very best fresh and warm home-cooked doughnuts"--

The Doughnut Cookbook, the next book in the Williams-Sonoma Test Kitchen series, is a compact yet comprehensive guide to making doughnuts. Ranging from classic Old-Fashioned style doughnuts, to lemony-glazed baked doughnuts topped with pistachios, and sugar-dusted beignets, this book includes something for all doughnut-lovers. Yeasted, fried, baked, glazed, and sprinkled, doughnuts are enjoyed in all different shapes and sizes. Learn how easy making doughnuts at home is in this all-inclusive guide from the Williams-Sonoma Test Kitchen. Inside these pages, you'll find recipes for basic doughs and glazes, mouthwatering recipes for classic and innovative doughnuts, tips and tricks for frying and baking doughnuts, and much more. Recipes include: Funfetti Doughnuts, Apple Fritters, Maple-Bacon Doughnuts, S'mores Doughnuts, Vanilla and Chocolate Old-Fashioned Doughnuts, Peppermint Bark Chocolate Doughnuts, Savory Cheesy-Jalapeño Doughnuts, and more. For first time doughnut makers to the moderately skilled, and those who want access to a diverse combination of recipes that everyone will love, The Doughnut Cookbook is for you.

The doughnut is a thing of beauty. A circle of fried doughy perfection. A source of comfort in trying times, perhaps. For Theo Bernstein, however, it is far, far more. Things have been going pretty badly for Theo Bernstein. An unfortunate accident at work has lost him his job (and his work involved a Very Very Large Hadron Collider, so he's unlikely to get it back). His wife has left him. And he doesn't have any money. Before Theo has time to fully appreciate the pointlessness of his own miserable existence, news arrives that his good friend Professor Pieter van Goyen, renowned physicist and Nobel laureate, has died. By leaving the apparently worthless contents of his safety deposit to Theo, however, the professor has set him on a quest of epic proportions. A journey that will rewrite the laws of physics. A battle to save humanity itself. This is the tale of a man who had nothing and gave it all up to find his destiny - and a doughnut.

Customers can't seem to get enough red velvet. Like cupcakes, donuts, cake balls, and whoopie pies, red velvet creations are both homey and comforting and hip and cool. They are the latest retro-baking craze. Red velvet has conquered lots of new territory in recent years and Deborah Harroun's *The Red Velvet Lover's Cookbook* is the first and only book devoted to this hot topic. She has perfected the classics, as well as a host of new, inventive uses for this popular combination. In 50 recipes, and with full-color photos, Harroun has come up with all manner of red velvet donuts, waffles, pancakes, muffins, biscuits, icebox cakes, mug cakes, cheesecakes, and even a molten lava cake. Harroun also treats the reader to a dozen cookies, brownies, and bars, plus red velvet rolls and breads. Red velvet cannoli, eclairs, snowballs, churros, and truffles are the icing on the cake, and provide red velvet lovers with just about any recipe they will ever need.

"The first Black person to win The Great American Baking Show shares her story of personal growth and more than 100 delicious recipes. Popular baking personality and lawyer turned baker Vallery Lomas was ecstatic when she learned she won the third season of The Great American Baking Show. However, her win was never seen by the world--Vallery's season was pulled after just a few episodes

Access Free Donuts Over 50 Inventive And Easy Recipes For Any Occasion

when one of the judges became a focal point in a Me Too accusation. Rather than throwing in her whisk and lamenting all of the missed opportunities she hoped to receive (Book deal! Product endorsements! TV show!), she held her head high and hustled--which resulted in her getting press coverage everywhere from CNN to People magazine. Now, Vallery debuts her first baking book. With 100 recipes for everything from Apple Cider Fritters to Lemon-Honey Madeleines and Crawfish Hand Pies to her Grandma's Million Dollar Cake. Vallery shares heirloom family recipes from her native Louisiana, time spent in Paris, The Great American Baking Show, and of course sweets and breads inspired by her adopted hometown, New York City. Vallery's "when life gives you lemons, make lemon curd" philosophy will empower legions of bakers and fans to find their inner warrior and bake their best life"--

In the years following World War II one of the major exports from Japan wasn't cars or electronic equipment, but toys, specifically tin toys. Crafted in the shapes of submarines, planes, trains, cars and horses, one of the most popular motifs were toy robots. Constructed in virtually every shape imaginable from the 1940s throughout the 1960s, these toys are fondly remembered by collectors today, and ranged in appearance from horror to science fictional characters. Today, these toys are not only fondly remembered by collectors but are being recreated for a whole new generation! Capturing this period in history became a passion of painter Eric Joyner's, and in Robots and Donuts he celebrates this forgotten era in a series of whimsical, thoughtful, sometimes tragic but always stunning paintings depicting mechanical men and women inspired by the designs of those toy tin machines, often in outlandish and impossible settings. And almost always, with donuts. (Why? Well, who doesn't love donuts?) This book also features a look into Joyner's painting style as well as a glimpse at some of his other non-robot themed artwork.
