Ethiopia's population is highly diverse with different languages and ethnic groups. Most of its people speak an Ethiosemitic or Cushitic language which are both part of the Afroasiatic language family, while others speak Nilo-Saharan languages. The Oromo, Amhara, Somali and Tigrayans make up more than three-quarters (75%) of the population, but there are more than 80 different ethnic groups ...

...

The first one-volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors, students and lay leaders. It furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance.

This is the first book to focus exclusively on an examination of early 21st-century adult reading aloud. The dominant contemporary image of reading in much of the world is that of a silent, solitary activity. This book challenges this dominant discourse, acknowledging the diversity of reading practices that adults perform or experience in different communities, languages, contexts and phases of our lives, outlining potential educational implications and next steps for literacy teaching and research. By documenting and analysing the diversity of oral reading practices that adults take part in (on- and offline), this book explores contemporary reading aloud as hugely varied, often invisible and yet quietly ubiquitous. Duncan discusses questions such as: What, where, how and why do adults read aloud, or listen to others reading? How do couples, families and groups use oral reading as a way of being together? When and why do adults read aloud at work? And why do some people read aloud in languages they may not speak or understand? This book is key reading for advanced students, researchers and scholars of literacy practices and literacy education within education, applied linguistics and related areas.

The Ethiopian Bible is the oldest and most complete bible on earth. Written in Ge'ez an ancient dead language of Ethiopia it's nearly 800 years older than the King James Version and contains over 100 books compared to 66 of the Protestant Bible. The Ethiopian Bible includes the Books of Enoch, Esdras, Buruch and all 3 Books of Meqabyan (Maccabees), and a host of others that were excommunicated from the KJV. Books of the Ethiopian Bible features 20 of these books that are not included in the Protestant Bible.

Lost for centuries, the Kebra Nagast (The Glory of Kings) is a truly majestic unveiling of ancient secrets. These pages were excised by royal decree from the authorized 1611 King James version of the Bible. Originally recorded in the ancient Ethiopian language (Ge'ez) by anonymous scribes, The Red Sea Press, Inc. and Kingston Publishers now bring you a complete, accurate modern English translation of this long suppressed account. Here is the most startling and fascinating revelation of hidden truths; not only revealing the present location of the Ark of the Covenant, but also explaining fully many of the puzzling questions on Biblical topics which have remained unanswered up to today.

Answers to the most common questions and misconceptions about the Bible Seven Things I Wish Christians Knew about the

Read Book Ethiopian Orthodox Bible English Provisions Local Kitchen

Bible is a short and readable introduction to the Bible--its origins, interpretation, truthfulness, and authority. Bible scholar, prolific author, and Anglican minister Michael Bird helps Christians understand seven important "things" about this unique book: how the Bible was put together; what "inspiration" means; how the Bible is true; why the Bible needs to be rooted in history; why literal interpretation is not always the best interpretation; how the Bible gives us knowledge, faith, love, and hope; and how Jesus Christ is the center of the Bible. Seven Things presents clear and understandable evangelical account of the Bible's inspiration, canonization, significance, and relevance in a way that is irenic and compelling. It is a must read for any serious Bible reader who desires an informed and mature view of the Bible that will enrich their faith.

Ethiopia is a land of endless stories and histories, many never heard outside this elusive country. With a history stretching back more than 3,000 years, Ethiopians are a justifiably proud people. John Graham has tirelessly traversed Ethiopia, and explored many nooks and crannies of this ancient country in an effort to tell the story of its peoples. Ethiopia: Off the Beaten Trail is an informal and informative look at a country that is generally overlooked as a tourist destination. After decades of isolation, Ethiopia is now opening its arms to visitors again. From the Aksum to the remote mountain monastery where the Ark of the Covenant is said to be kept, Graham paints a vivid picture of Ethiopia and provides a window to its unseen gems.

Ethiopia is an icon of freedom and indigenous Christianity across Africa due to its historic independence, ancient Christian identity and rich religious heritage. However, Ethiopia and its various Christian denominations have their own understandings of this identity and how these communities relate to one another. In this detailed study, Dr Seblewengel Daniel explores the perception and identity of the Ethiopian Orthodox Church and evangelical church in Ethiopia and examines the relations between the two. Beginning with the earliest evangelical missionary engagement with the Orthodox church, Dr Daniel skilfully uses historical and theological frameworks to explain the dynamics at play when approaching the relations over two centuries between these two churches and their respective communities. Daniel ultimately emphasizes that what unites the Orthodox and evangelical church is greater than what divides – namely an ancient faith in the triune God. This important study urges both sides to place the Bible at the centre, using it to understand their differences, and challenges them to take responsibility for past negative perceptions in order to move forward together in greater unity and mutual respect.

The International Standard Bible Encyclopedia combines the defining function of a dictionary with an encyclopedia's comprehensive presentation of accurate, dependable information. Summarizing the state of knowledge on more than 9,000 topics and including 3,500 cross-references, ISBE contains articles on every person and place mentioned in the Bible, every word in the Bible that has significant theological or ethical meaning, and all terminology that touches on the transmission and interpretation of the Bible.

First published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

Read Book Ethiopian Orthodox Bible English Provisions Local Kitchen

Ephraim Isaac sketches the history of the Ethiopian Orthodox Tawahido Church and also that of Christianity as a whole in Ethiopia. As the reader will discover, not only are there strong Biblical Hebraic elements in the theology, political theory and liturgical calendar of the Ethiopian Church but there is also a strong influence from Beta Israel and Ethiopian Jews. Besides Jews and Christians, there are also very large numbers of Muslims and various native beliefs in Ethiopia.
