Everyones a Theologian An Introduction to Systematic Theology

Everyones A Theologian An Introduction to Systematic Theology

Many people react negatively to the word theology, believing that it involves dry, fruitless arguments about minute points of doctrine. They prefer to focus on the basic truths of Scripture and may even declare, "No creed but Christ." But as R.C. Sproul argues, everyone is a theologian. Any time we think about a teaching of the Bible and strive to understand it, we are engaging in theology.

Everyone's a Theologian: An Introduction to Systematic ...

Who would want to be a theologian? Many people react negatively to the word theology, believing that it involves dry, fruitless arguments about minute points of doctrine. They prefer to focus on the basic truths of Scripture and may even declare, "No creed but Christ." But as Dr. R.C. Sproul argues, everyone is a theologian.

Everyone's a Theologian: An Introduction to Systematic ...

Yet as Dr. R.C. Sproul argues, everyone is a theologian. Any time we think about a teaching of the Bible and strive to understand it, we are engaging in theology. Therefore, it is important that we put the Bible's varied teachings together in a systematic fashion, using proper, time-tested methods of interpretation so as to arrive at a theology that is founded on truth.

Now That's a Good Question! answers more than 300 challenging questions about life and faith. Sproul, a distinguished theologian and educator, address doctrinal points and contemporary issues such as euthanasia, evolution, and abortion. His answers cover over three hundred topics in a personable, easy-to-read style that's perfect for the lay person. New believers as well as those older in the faith will find this book a great resource for those challenging questions of life and faith.

Presents a clear, commonsense approach to studying Scripture Includes eleven practical rules for biblical interpretation The Bible is the written Word of God, and it is treasured by many. But it is also an ancient book about people and cultures very different from us. Thus, while we know we should read it, many of us have a hard time understanding the Bible. In this updated edition of *Knowing Scripture*, R. C. Sproul helps us dig out the meaning of Scripture for ourselves. The author says, "The theme of this book is not how to read the Bible but how to study the Bible." He presents in simple, basic terms a commonsense approach to studying Scripture, and gives eleven practical guidelines for biblical interpretation and applying what we learn. *Knowing Scripture* is a basic book for both beginning Bible readers and experienced students of Scripture.

In this quick and vibrant little book, Kelly Kapic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kapic. "It is not a conversation our souls can afford to avoid."

"Christians often misunderstand the nature of God. This leads to misunderstandings about the nature of salvation. For this reason, the question "Saved from what?" can be a challenge to answer. In this book, Dr. R.C. Sproul explains why the atonement was necessary and why we are fundamentally saved from a holy God in salvation. The heart of this book is to help evangelicals understand the gospel. But in order to do that, they must first understand the character of God. When this happens, Christians understand that salvation is both of and from God. It is of God because it originates with Him. But it is from God because His righteous, holy character is against all unrighteousness. In part one, Dr. Sproul explains the meaning of the term "salvation" in Scripture, and he elaborates on this to show how God's character demands perfect righteousness. This is a serious predicament for every human being because all of our works fall short of the glory of God. We sin, and even our "good" works are mingled with sin. In part two, Dr. Sproul unfolds the significance and necessity of the cross, and he defines sin in the biblical concepts of "debt" to God, "enmity" toward God, and "crime" against God. The cross addresses the problem of our sin before God from every angle. Dr. Sproul explains how Christ is our ransom and the processes of propitiation and expiation that occurred at the cross. This entire section is set within the concept of covenant theology and is further developed through a study on justification. In part three, Dr. Sproul concludes the book by explaining the purpose of our salvation. All Christians are called to live for Christ and are adopted into Him. Being adopted into Christ, we are assured that God is making us like Him and that we will one day ultimately be made pure when we behold God in the beatific vision"--

For those who yearn for a deeper walk of faith, their journey can begin here. Dr. R. C. Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines. He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth, which is foundational to maturity in Christ. Here are theologically sound explanations of the biblical concepts every Christian should know, written in a way that we all can understand. Sproul's homespun analogies and illustrations from everyday life make this book interesting, informative, and easy to read.

Evaluates the only foundations for belief: (1) favorite-flavor-ice cream truth and (2) jelly-bean-total truth. Contends that only one ultimate truth can fit you into reality.
