The number of commercially available American whiskeys has grown exponentially over the past 20 years, as has its popularity. Discerning drinkers will savour this, the only guide devoted solely to US-made whiskey, rye and bourbon. Arranged alphabetically by distillery and/or brand, it offers histories, ratings and tasting notes for over 200 whiskeys. Each main account includes the name and address of the maker, including website URL and contact information, along with its various products. In addition to finding information on how to get the best value for your money, you'll learn how to buy whiskey, how to read a label, which whiskey to give as a gift and much more.

Vocabulary represents one of the essential skills necessary for teaching and learning a foreign language. It is the basis for developing all the other skills: reading comprehension, listening comprehension, speaking, writing, spelling, and pronunciation. Vocabulary is the primary tool for the students in their attempt to use English effectively. When confronted with a native English speaker, when watching a movie without subtitles or when listening to a favorite English song, when reading a text, or when writing a letter to a friend, students will always need to operate with words. This book is a great educational learning tool for your kids to play games and learn new essential words simultaneously. You can see your child's reading improvement!

Support your kids in becoming confident readers by helping them master high frequency words! Sight words are words that occur frequently enough in written language that a child should recognize them automatically on sight. Another characteristic that makes many sight words special is that they don't follow the rules of phonics. For these reasons, mastering sight words is of great importance for boosting your child's reading confidence and future success. Word search puzzles provide a powerful tool to review and reinforce high frequency words. The process of search and recognition of letters and words allows children to build their literacy skills in a fun and easy way. Lowercase letters. Since most of the words children encounter in reading materials are made up of lowercase letters, literacy experts recommend teaching sight words using lowercase. 50 word search puzzles with over 170 Dolch sight words for preschool, kindergarten, first grade and second grade. Word placement (horizontal and vertical, no diagonal or backwards) facilitates the learning process. Answers can be found at the back of the book. Let your children have fun while building their reading confidence!

These nearly 50 child-friendly word searches will build kids' vocabulary effortlessly. Each puzzle features an appealing theme, like "Baseball" which includes ball, bat, cap, glove, and helmet. "At the Grocery Store" has boxes, cans, cart, drinks, and food. And "Ages" teaches numbers from one to ten.
