"I expected a life of music. I expected to raise my son. It took one look to make everything change. I never expected happiness. I never expected to find her. I never expected to feel desire. I never expected I'd be a family man. I never expected to be loved. I never expected to fall in love. They say you should expect the unexpected, I didn't realize my unexpected would be the forever kind."--Page 4 of cover.

Rock musician Jimmy "JD" Davis considers pursuing a relationship with Jenna, while she works through the emotional effects of her abuse at the hands of her ex-husband.

Liam Page knows music and a life of solitude, but that all changed when he returned to Beaumont. The once notorious bad boy lead singer of 4225 West is now living the domesticated life with his wife and high school sweetheart, Josie, and their son, Noah. Life is good for the Westbury family. Josie Westbury loves everything about her life. She's happily married. She has a successful business and a son who keeps her active. The only thing she longs for is another child. Torn between his love for music and his love for his family, Liam finds he's needed back in Los Angeles and the place where it all began. Josie is apprehensive, but knows this is what's best for Liam and the bands career; however, it doesn't take long for her biggest fears to start coming true. Liam and Josie's story continues in this last installment of The Beaumont Series.

Liam Westbury has the world at his feet. He's the quintessential golden boy. He's the superstar quarterback for Beaumont High. His girl, Josie, is head cheerleader. He has his choice of colleges just waiting for him. Except he's suffocating from all the pressure he's under and no one understands. Liam Page is the heartthrob he never wanted to be. He's successful, smart and in demand by record companies and his adoring fans. Music is his passion, his love, but something's missing. His nights are lonely and he longs for the girl he left behind. Seeing her in every face in the crowd haunts him with the knowledge that she hates him. Going home has never been an option until now. Be there when Liam Westbury becomes Liam Page and follow the highs and lows of the Quarterback turned Rockstar as he finds a way back to Beaumont in this prequel to Forever My Girl.

The road for Noah Westbury has been carved out for him, long before he knew who his father was. Making sure he worked hard to deserve the opportunities provided to him, Noah is where he's dreamed of being - starting QB for Portland Pioneers. Together, with his model girlfriend by his side, life can't get much better. Except that standing in his path is Peyton Powell-James, his life-long friend and the one woman he can never have. Peyton Powell-James always knew her future would be in football and dreams of having a successful sports journalism career once she graduates college. After being given the assignment to cover a professional game from the sidelines, Peyton believes that everything is going to plan. Until one fateful night changes her life. Harsh reality sets in for Noah and Peyton. One could lose everything, while the other struggles to keep the families together.

"Come back to Beaumont... sort of! Join Josie, Katelyn, and Jenna when they embark on a vacation, away from the glitz and glam that their lives have become. With Katelyn and Jenna living in California, and Josie in Beaumont, the daily coffee at Whimsicality has long been forgotten, while motherhood and being wives to Harrison, Jimmy, and Liam have taken over, the best friends aren't able to see each other as often as they like. After their husbands all but push them out the door, they meet up for a week of sun, relaxation, and reminiscing." --Page 4

Can Nick finish his year in Africa without risking his heart being broken again, or is he willing to start a new chapter in his life before his return to Beaumont?

Even though she's living her life-long dream and dancing on Broadway, the city is a lonely place for Yvie James. The holidays are both her favorite time of the year and the worst. A last minute decision puts Yvie in Beaumont to spend time with her family. Alexander Knight is new to Beaumont, but he's making the best of it. His dream of running a successful business is within his grasp, and Xander has a dedicated client base most trainers vie for. On the surface, Xander is happy, but he works long hours for nothing more than to avoid going home to an empty house. Thrown together for Christmas shopping, holiday gatherings with friends and family, and a special anniversary party, Yvie and Xander find themselves seeking solace in each other for an unforgettable, romantic winter.
