Since special education is a set of services, rather than a specific place for your child to go, the general education class is typically considered the LRE for most children. The best option is to communicate with the local school district on various options for your child to reach their goals and objectives initiated by the IEP.

Exiled from his province Cobb Ash for a crime he did not commit,
Raspail becomes the most wretched of wolves, a ramblefoot. Now he must
survive on his own navigating the treacherous outer fringes of the
wolf provinces, dangerously close to where the new predator wages war
on the wolf. It is here, in an anarchic enclave where meatdrunk
ramblefoots plunder the bountiful treasures of man, that Raspail comes
to prominence as a legend among wolves. But Raspail has no interest in
power, only Kileo, the love he was torn from. With old foes waiting to
assassinate him and Cob Ash recently allied with hostile neighbor
Draguignon, Raspail will need to unite the lawless ramblefoots and
conquer Cob Ash if he is to ever see Kileo again. With a keen eye for
the extraordinary in nature, and a portrayal of wolf culture that is
both meticulously researched and then fantastically extrapolated on,
Ramblefoot is a thrilling adventure that will immerse you in its
sprawling mythology from the first sentence.

the seventh King of the Roman Kingdom, its people suffered during his reign under the forces of tyranny, injustice and corruption. An exceptionally beautiful and hospitable country, Oman is a researchers delight, with archives and manuscripts, archaeological and ethno-archaeological attractions ranging from pre-Islamic Arabia to the present, and modern multi-tribal communities. Located on the southern edge of the Persian Gulf, where the Arabian Sea and the Indian Ocean meet and control the entrance to the Persian Gulf, it has stood at a commercial and cultural crossroads for centuries. But with commercial sea routes also to Africa and Asia, it is simultaneously a contemporary state that combines modernity and tradition, religion and multiculturalism -- a place where the present meets the past without being bound by it. It is, thus, no accident that Ibadis have played and continue to play an important role in the history of Muslim theology and its political theory, a role that only in recent years has begun to be acknowledged in international academic circles. This volume presents the proceedings of the first international conference dedicated to Ibadism and the Sultanate of Oman, which was held at Aristotle University of Thessaloniki in November 2009. The goal of the conference was to introduce Ibadism and Ibadī Studies to the worldwide research community and, indeed, it has served as the springboard for other conferences and the founding of academic groups dedicated to Ibadism and the Sultanate of Oman. In the first part of this volume, we are guided through Ibadī history, theology, and jurisprudence while the second part opens the reader to a broad vista on the dialectics between religion, society, and politics within contemporary Ibadī communities and especially that of Oman. By introducing Ibadism to the broader academic community, we hope to contribute to the mutual understanding and rapprochement of peoples, cultures, and religions. In this regard, each paper in the present volume has lasting value. (Luxury Edition)
