Ancient Greek mythic-cultural cosmology depicted a decline from a golden age to a silver age followed by an Iron Age. In some variants there is a Bronze Age, an interim between the Iron Age and Silver Age. In Japan, the traditional Sho Chiku Bai (神曲白) ranking system has a hierarchy of pine 松 (matsu), bamboo 竹 (take), and plum 梅 (ume). This is commonly used by restaurants to indicate how elaborate (and expensive) set meals are.

"Metalwork has always been to India what ceramics are to China. During the fabled Mughal age, the craftsmen of the Sultans and Rajahs of India produced an astonishing variety of objects in gold and gold enamel, silver, brass, bronze, gilt copper and the Deccani alloy known as bidri. The finest of these are among the most striking and poetic utilitarian wares ever made, in addition to being of the most outstanding technical refinement." "This, the first book on the metalwork of Mughal India, illustrates all the great surviving objects, the majority of which have never been published before and are unknown to the western connoisseur."--Jacket.

Gold, Bronze, & Silver: A Doctor's Devotion to American Hockey offers an inside view of the hockey players and teams that rep-resented the United States in international competition from 1967 to 1990 as they traveled around the globe and behind the Iron Curtain. George “Doc” Nagobads served as team physician, multilingual problem solver, travel guide, and surrogate father to the young men traveling the world in pursuit of glory and gold. Fluent in four languages, Doc was the perfect person to handle challenges with passports, border crossings, KGB agents, and the youth-ful exuberance of young men looking to have a good time in sometimes-unfriendly environments. Doc's journal and camera were always with him as he traveled with over thirty teams, including the gold medal-winning 1980 US Olympic hockey team. This book includes the story of Doc's stopwatch, a key ingredient to beating the mighty Soviet team and performing a miracle on ice. Over one hundred and thirty photos complement the tales of camara-derie, friendship, injuries, pranks, and misadventures.
