Becoming a Mental Health Counselor is a guide for students on the path to becoming licensed mental health therapists, as well as those just starting their careers. Filled with practical advice and tips, this book guides the reader through early career milestones of psychotherapists, including professional identity development, applying for jobs, and obtaining licensure. Volungis also discusses the reality of the profession, emphasizing the importance of self-care, ethics, personal identity, and managing expectations. The book concludes with an exploration of private practice and the next steps in the career ladder. Ideally suited for professional development courses, this volume helps students prepare for life outside of school. It shows them how to transform the knowledge they've gained into a successful career.

Please note the app is included with print purchase only. Praise for the First Edition from successful students on Amazon.com: "100% recommended to those who will take the CRC." "I used this to prepare for the CRC exam and passed!" "I passed my CRCE, and this was the only guide I used." App included with purchase! See inside front cover for access instructions. This concise, practical study guide, now in its second edition, offers a complete, detailed review of the certified rehabilitation counselor exam to help graduate students and professionals in rehabilitation counseling effectively prepare for and pass the exam. Authored by rehabilitation counselor educators cited for their teaching effectiveness, research, and scholarship, this fully revised and updated second edition reflects the new, expanded curriculum standards regarding counseling/psychotherapy content for CORE/CACREP graduate programs in clinical rehabilitation counseling and CORE standards for rehabilitation counselors. The second edition retains the user-friendly structure and organization of the first, and includes 50 additional questions for a total of nearly 300 Q & A's with rationales, answer keys, multiple-choice questions, learning objectives, and more. Each chapter contains a concise overview of the topic, summary tables of key concepts, practice questions with annotated answers, and links to related web-based materials. New to the Second Edition: Revised and expanded to encompass 2015 CORE/CAPREP standards Incorporates new certified rehabilitation counselor exam requirements Includes 50 additional Q&As with rationales Key Features: Covers 10 core curriculum areas Includes nearly 300 test Q&As with rationales Provides key terms and concepts Includes tables and charts to clarify information Written by esteemed rehabilitation educators and members of the CRCC scientific research advisory panel Includes free access to interactive ebook and Q&A app – track and sync your progress on up to three devices!

GROUP COUNSELING: STRATEGIES AND SKILLS, Eighth Edition, provides an in-depth look at group counseling with an emphasis on practical knowledge and techniques for effective group leadership. The authors discuss the many facets of group counseling and provide examples of how each skill can be applied in a wide range of group settings to produce effective and efficient group sessions. The book's active approach focuses on the skills necessary for starting and ending a session, as well as on how to make the middle phase productive and meaningful. Through its integration of traditional theories and concepts of group process with thoughtful strategies and specific skills, this reader-friendly book meets the needs of practicing or future counselors, social workers, psychologists, and others who are leading or preparing to lead groups in a variety of settings. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This clear and concise study guide provides sample examinations and guidance for counsellors who wish to become certified by either the Council for the Accreditation of Counseling and Related Education (CACREP) or the National Board for Certified Counselors (NBCC), the major counsellor accreditation institutions in the United States. This Second Edition brings up to date the names of key organizations, and adds new information relevant to changes in the counsellor certification exam.
