Half Moon Investigations. Meet Fletcher Moon. Half-pint schoolboy and fully qualified private investigator. Since graduating online, he has solved all sorts of minor mysteries at school and at home. It was only a matter of time before things got serious. When Fletcher investigates a spate of crimes in the town of Lock, the finger of suspicion is soon pointing in the direction of shady brothers Herod and Red Sharkey.

Half Moon Investigations is a surprisingly (and refreshingly) NON fantasy novel from Eoin Colfer. I love the Artemis Fowl books and found The Supernaturalist to be interesting (if not great) so it's obvious I would pick this book up right away.

Fletcher Moon has never been like other kids. For one thing, he has had to suffer the humiliating nickname "Half Moon" because of his short stature. But the real reason Fletcher is different is that ever since he was a baby, he's had a nose for sniffing out mysteries. And after graduating at the top of his Internet class, he is officially certified as the youngest detective in the world.

Conor Broekhart was born to fly. It is the 1890s, and Conor and his family live on the sovereign Saltee Islands, off the Irish coast. Conor spends his days studying the science of flight with his tutor and exploring the castle with the king's daughter, Princess Isabella. But the boy's idyllic life changes forever the day he discovers a deadly conspiracy against the king.

Riley, a teen orphan boy living in Victorian London, has had the misfortune of being apprenticed to Albert Garrick, an illusionist who has fallen on difficult times and now uses his unique conjuring skills to gain access to victims' dwellings. On one such escapade, Garrick brings his reluctant apprentice along and urges him to commit his first killing. Riley is saved from having to commit the grisly act when the intended victim turns out to be a scientist from the future, part of the FBI's Witness Anonymous Relocation Program (WARP) Riley is unwittingly transported via wormhole to modern day London, followed closely by Garrick. In modern London, Riley is helped by Chevron Savano, a nineteen-year-old FBI

agent sent to London as punishment after a disastrous undercover, anti-terrorist operation in Los Angeles. Together Riley and Chevie must evade Garrick, who has been fundamentally altered by his trip through the wormhole. Garrick is now not only evil, but he also possesses all of the scientist's knowledge. He is determined to track Riley down and use the timekey in Chevie's possession to make his way back to Victorian London where he can literally change the world.

In the future, in a place called Satellite City, fourteen-year-old Cosmo Hill enters the world, unwanted by his parents. He's sent to the Clarissa Frayne Institute for Parentally Challenged Boys, Freight class. At Clarissa Frayne, the boys are put to work by the state, testing highly dangerous products. At the end of most days, they are covered with burns, bruises, and sores. Cosmo realizes that if he doesn't escape, he will die at this so-called orphanage. When the moment finally comes, Cosmo seizes his chance and breaks out with the help of the Supernaturalists, a motley crew of kids who all have the same special ability as Cosmo—they can see supernatural Parasites, creatures that feed on the life force of humans.

Daniel McEvoy has a problem. Well, really, he has several, but for this Irish ex-pat bouncer at a seedy, small-time casino the fact that his girlfriend was just murdered in the parking lot is uppermost in his mind. That is until lots of people around him start dying, and not of natural causes. Suddenly Daniel's got half the New Jersey mob, dirty cops and his man-crazy upstairs neighbor after him and he still doesn't know

what's going on. Bullets are flying, everybody's on the take and it all may be more than Daniel's new hair plugs can handle. And Daniel's got to find the guy who put in those hair plugs--or at least his body--and fast, or else he'll never get that voice out of his head. Head-spinning plot twists, breakneck pacing and some of the best banter this side of Elmore Leonard's Detroit, will keep you on the edge of your seat and itching for more.

In *Screwed*, Colfer adds an entirely new chapter to the adventures and misadventures of Daniel McEvoy, the down-on-his-luck Irish bouncer at a seedy New Jersey bar who, with the help of a motley crew of unlikely characters, solved a bizarre string of murders--including the one of the girl he loved. But people around him continue to die mysteriously, and Daniel is called into action once again. Colfer, beloved by millions for his *Artemis Fowl* series, has written a riveting and relentlessly paced sequel that is sure to garner international praise. With wildly inventive imagination and head-spinning plot twists, *Screwed* is a tour de force that rivals Carl Hiaasen at his very best. Ridley Pearson called *Plugged* "a brilliant, madcap mystery" and "genius at work." With *Screwed*, Colfer delivers that signature brilliance once again.

Tony Stark is known throughout the world as many things: billionaire, inventor, Avenger. But mainly for being the Invincible Iron Man. Just when Tony is about to add his pizzazz to an international eco-summit in Ireland, someone close to him forces him to question his role in making the world a more dangerous place

with his high-tech weaponry. But Stark doesn't have much time to reflect before an old enemy presents him with an even greater challenge: the assassination of all the eco-ministers, and Iron Man himself. Just how invincible Iron Man is when he is stripped of everything remains to be seen in this breathless adventure by the best-selling author of Artemis Fowl.

Meg Finn is in trouble. Unearthly trouble. Cast out of her own home by her stepfather after her mother's death, Meg is a wanderer, a troublemaker. But after a botched attempt to rob a pensioner's flat, Meg, along with her partner in crime, Belch, ends up in a very sticky situation. Meg's soul is up for grabs as the divine and the demonic try every underhanded ploy imaginable to claim it. Her only chance for salvation is the Wish List. But how can she persuade the pensioner Lowrie to help her when she has wronged him? And even if she can persuade him, will she really have enough good points to face up to St Peter? An unforgettable and gritty tale of life, death and an unexpected hereafter.
