PART 1: FUNDAMENTALS

The third edition of Introduction to Clinical Psychology: An Evidence-Based Approach by University of Ottawa authors John Hunsley and Catherine M. Lee introduces students to the theories and practices of clinical psychology and conveys the important work done by clinical psychologists. This text is designed to be helpful not only to those who will go on to careers in clinical psychology, but also to those who will choose other career paths.

A classic in its field, this introductory text has been updated to include coverage of the most recent developments and established theories in psychology.
