Greatest Hits is the first compilation album by American singer-songwriter James Taylor. Released in November 1976. To this day, it is the best-selling album of his career. The album took place in the context of Taylor's end of his recording contract with Warner Records. It features redone versions of "Carolina in My Mind" and "Something in the Way She Moves", both of which had been previously included on Taylor's self-titled debut album in 1968.

From The Beatles' patronage of his 1968 debut album to his Grammy awards for Hourglass, James Taylor has remained a universally acclaimed songwriter of effortless eloquence and power. In this major biography, the late Timothy White explores the myths and reality behind the personal journey of legendary singer. White examines the roots of Taylor's anguish, and his recurring problems with heroin and alcohol. There is

Access Free James Taylor Greatest Hits Complete

an epic family history, an exploration of the stories behind *Fire And Rain*, and a frank account of the artist's time spent at Apple Records and Warner Brothers. With contributions from Paul McCartney, Carly Simon, Sting, the Taylor family and many other key figures, this edition is destined to become the definitive biography of the troubled hero. There is also an epilogue concerning the memorial concerts arranged by Taylor for the late author White, as well as an extensive discography and bibliography.

In 1970 a scraggly,

Access Free James Taylor Greatest Hits Complete

antiheroic young man from North Carolina by way of Massachusetts began presenting a comforting new sound, a kind never heard before. Within a year, when young ears sought a new sound, there was "Fire and Rain" and "You've Got a Friend," and a new Southern California-fed branch of pop music. Taylor was its reluctant leader.

Remarkably, Taylor has survived: his 2015 release, *Before This World*, edged out Taylor Swift and went to #1 on the charts. Today he is in better physical and probably mental condition than during the whirlwind when he influenced music so

Access Free James Taylor Greatest Hits Complete

heavily, the decade when magazines and newspapers printed feverish stories about his gawky hunkeness, his love affair with Joni Mitchell, his glittery marriage to Carly Simon, his endlessly carried-out heroin habit, and sometimes even his music. Despite it all, Taylor has become the nearest thing to rock royalty in America. Based on fresh interviews with musicians, producers, record company people, and music journalists, as well as previously published interviews, reviews, and profiles, *Sweet Dreams and Flying Machines* is the definitive biography of an

Access Free James Taylor Greatest Hits Complete Exclusive Authentic Guitar Tab Edition

A Bustle Must-Read Book • A transporting love story of music, stardom, heartbreak, and a gifted young singer-songwriter who must find her own voice—"pure sun-soaked summer fun" (Kate Quinn, bestselling author of *The Alice Network*). The year is 1969, and the Bayleen Island Folk Fest is abuzz with one name: Jesse Reid. Tall and soft-spoken, with eyes blue as stone-washed denim, Jesse Reid's intricate guitar riffs and supple baritone are poised to tip from fame to legend with this one headlining performance. That is, until his motorcycle

Access Free James Taylor Greatest Hits Complete

crashes on the way to the show. Jane Quinn is a Bayleen Island local whose music flows as naturally as her long blond hair. When she and her bandmates are asked to play in Jesse Reid's place at the festival, it almost doesn't seem real. But Jane plants her bare feet on the Main Stage and delivers the performance of a lifetime, stopping Jesse's disappointed fans in their tracks: A star is born. Jesse stays on the island to recover from his near-fatal accident and he strikes up a friendship with Jane, coaching her through the production of her first

Access Free James Taylor Greatest Hits Complete

record. As Jane contends with the music industry's sexism, Jesse becomes her advocate, and what starts as a shared calling soon becomes a passionate love affair. On tour with Jesse, Jane is so captivated by the giant stadiums, the late nights, the wild parties, and the media attention, that she is blind-sided when she stumbles on the dark secret beneath Jesse's music. With nowhere to turn, Jane must reckon with the shadows of her own past; what follows is the birth of one of most iconic albums of all time. Shot through with the lyrics, the icons, the lore, the adrenaline of the

early 70s music scene, Songs
in Ursa Major pulses with
romantic longing and asks
the question so many female
artists must face: What are
we willing to sacrifice for
our dreams?

Set against a backdrop of
world-changing historical
and political events, Fire
and Rain tells the
extraordinary story of one
pivotal year in the lives
and music of four legendary
artists, and reveals how
these artists and their
songs both shaped and
reflected their times.
Drawing on interviews, rare
recordings, and newly
discovered documents,
