"Welcome to Mastering ArcGIS Pro, a detailed primer on learning the latest ArcGIS software by Esri®, Inc. This book is designed to offer everything you need to master the basic elements of GIS. Notice: ArcGIS Pro, ArcGIS, ArcMap, ArcCatalog, ArcGIS Desktop, ArcInfo Workstation, and the other program names used in this text are registered trademarks of Esri, Inc. The software names and the screen shots used in the text are reproduced by permission. For ease of reading, the symbol has been omitted from the names; however, no infringement or denial of the rights of Esri® is thereby intended or condoned by the author. A new text for a new GIS experience Although the concepts of GIS have remained fairly constant over

Access Free Mastering Arcgis 5th Edition Answers

time, the software is continually evolving. With the release of ArcGIS Pro, the latest software in the Esri GIS family, a new generation of GIS has arrived. ArcGIS Pro has a 64-bit, multithreaded architecture, uses ribbon-style menus, integrates 2D and 3D applications, and is closely tied to ArcGIS Online. This text constitutes a major rewrite of Mastering ArcGIS, a book that covered GIS concepts and skills using the ArcGIS Desktop programs of ArcMap and ArcCatalog. Although the GIS concepts largely remain the same in both texts, the implementation, and in some cases the terminology, has changed. The new software has also prompted a reorganization of the book in several important ways. First, the book has been refocused on

Access Free Mastering Arcgis 5th Edition Answers

the basics of GIS. The ArcGIS Pro software capabilities are improving with each new version but have not yet completely matched the capabilities of ArcMap. Partly for this reason, and partly to better match the rhythm of a semester, the book is now presented in 12 chapters, leaving time for instructors to better incorporate exams and projects within the semester. Some of the more advanced and less frequently used skills, such as planar topology and standards-based metadata, have been left for students to explore on their own. Second, the book includes some new topics. Raster data management has been discussed in a new chapter to acquaint students with compiling and processing raster data sets, supplementing a

Access Free Mastering Arcgis 5th Edition Answers

similar chapter on vector data management. ArcGIS Pro was designed to foster the sharing of GIS data and workflows, and these enhanced capabilities are explored in another new chapter, including how to prepare a database for collecting data using mobile devices"--

Summary ArcGIS Web Development is an example-rich tutorial designed to teach developers to use the ArcGIS JavaScript API to build custom GIS web applications. About the Technology Now you can unshackle your GIS application from a workstation!

Access Free Mastering Arcgis 5th Edition Answers

Using the ArcGIS JavaScript API, developers can build mobile and web-based maps and applications driven by ArcGIS data and functionality. Experienced ArcGIS developers will find that the familiar development environment provides a smooth transition to the web. Web developers new to GIS will be pleased by how easily they can apply their existing skills to GIS applications. Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications. About the Book ArcGIS Web Development is an example-rich guide that teaches you to use the ArcGIS JavaScript API to build custom GIS web applications. The book begins with easy-to-follow examples that introduce readers to the ArcGIS

Access Free Mastering Arcgis 5th Edition Answers

JavaScript API and show how you can apply simple customizations. As the book progresses, you'll explore a full-scale, web-mapping application. By the end you will be able to build web apps that have features you'd ordinarily expect to find only in dedicated GIS applications. Written for web developers familiar with JavaScript and basic GIS concepts. Experience with ArcGIS is helpful, but not necessary. What's Inside

- Build web-based GIS applications
- Customize the ArcGIS Javascript API tools
- Bring ArcGIS data to the web
- Create secure logins for mobile app users
