Updated 10/2/2017 Answer

Explanations: You can find handwritten explanations at: <https://www.privateprep.com/learning-resources/love-of-act-math-answers/>

We are really proud of the second book in the Private Prep test prep series, For the Love of ACT Math. We designed this book to help all of you improve your ACT math score. The math section is tough, we know, so we hope you find a ton of great tips and tricks inside! Our goal was to capture the vibrant energy and clarity of our own tutoring sessions, and distill it into book form. To do so, we explored a teaching style that looks like the work you actually write on the page to solve a problem. And we also gave some fun to the page with some original

Statistics and Probability with Applications, Third Edition is the only introductory statistics text written by high school teachers for high school teachers and students. Daren Starnes, Josh Tabor, and the extended team of contributors bring their in-depth understanding of statistics and the challenges faced by high school students and teachers to development of the text and its accompanying suite of print and interactive resources for learning and instruction. A complete re-envisioning of the authors' Statistics Through Applications, this new text covers the core content for the course in a series of brief, manageable
