Judaism does not require faith statements as a sign of legitimacy. Judaism does not ask Jews to give up their questions or to deny their doubt. In Jewish spiritual life, faith is not the starting point of the journey. Uncertainty is not the enemy of religious and spiritual growth. Doubt is what fuels the journey.

"This guide will introduce you to Judaism in easy-to-understand terms and language. Whether you are married to or dating a Jewish man or woman, or are the parent, sibling, or friend of someone in an interfaith relationship, you will find this book to be a thorough and accessible entry to the Jewish faith and the cultural and social institutions of the Jewish world in America. Rabbi Kerry M. Olitzky speaks directly to you, a person who stands on the periphery of Jewish culture and is only now beginning to move into the circle of Jewish faith and life."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. An approachable book about Judaism designed to help young children understand differences between religions and how it manifests itself in the lives of other children around the world

This unique book is an exploration of Christianity alongside Jewish guides who are well-studied in and sympathetic to Christianity, but who remain "near Christianity,"Reflecting on his journeys within biblical studies and contemporary Jewish-Christian dialogue, Anthony Le Donne illustrates not only the value but also the necessity of continued Jewish friendship for the Christian life. With the help of Jewish friends and mentors, he presents a deeper and more complex Christian faith, offering readers a better vision of the beauty and genius of Christianity, but also an honest look at its warts and failings. Weaving his own story and personal conversations with Jewish friends, Le Donne, a respected scholar and published author, models how his fellow Christians can avoid blurring the differences between Christianity and Judaism on the one hand and exaggerating them on the other.

"Join former NBC newsman and Meet the Press moderator David Gregory as he probes various religious traditions to better understand his own faith and answer life's most important questions: who do we want to be and what do we believe? While David was covering the White House, he had the unusual experience of being asked by President George W. Bush "How's your faith?" David's answer was just emerging. Raised by a Catholic mother and a Jewish dad, he had a strong sense of Jewish cultural and ethnic identity, but no real belief--until his marriage to a Protestant woman of strong faith inspired him to explore his spirituality for himself and his growing family. David's journey has taken him inside Christian mega-churches and into the heart of Orthodox Judaism. He's gone deep into Bible study and asked tough questions of America's most thoughtful religious leaders, including evangelical preacher Joel Osteen and Cardinal Timothy Dolan, the Catholic Archbishop of New York. It has brought him back to his childhood, where belief in God might have helped him through his mother's struggle with alcoholism, and through a difficult period of public scrutiny and his departure from NBC News, which saw his faith tested like never before. David approaches his faith with the curiosity and dedication you would expect from a journalist accustomed to holding politicians and Presidents accountable. But he also comes as a seeker, one just discovering why spiritual journeys are always worthwhile"--

In the tradition of The Year of Living Biblically by A.J. Jacobs and Walking the Bible: A Journey by Land Through the Five Books of Moses by Bruce Feiler comes Abigail Pogrebin's My Jewish Year, a lively chronicle of the author's journey into the spiritual heart of Judaism. Although she grew up following some holiday rituals, Pogrebin realized how little she knew about their foundational purpose and contemporary relevance; she wanted to understand what had kept these holidays alive and vibrant, some for thousands of years. Her curiosity led her to embark on an entire year of intensive research, observation, and writing about the milestones on the religious calendar. Whether in search of a roadmap for Jewish life or a challenging probe into the architecture of Jewish tradition, readers will be captivated, educated and inspired by Abigail Pogrebin's My Jewish Year.

"Years ago I exposed myself to the possibility that Judaism might have great truths to offer, and Chever Torah (Jewish Bible study) rewarded my open mind with radical improvements in the way I live and view my Christian faith." -from the Introduction After he spent five years attending Chever Torah, Athol Dickson found his faith radically changed-the result being a deeper relationship with God. In beautiful and simple language, The Gospel according to Moses illustrates Dickson's journey of faith exploring some of the primary theological differences and similarities between Christianity and Judaism. He draws generously on both Old and New Testament scriptures, looking at Christian and Jewish perspectives on topics such as suffering, grace vs. works, and the place of Jesus in the Hebrew Scriptures.

One day a Georgia-born son of an Orthodox rabbi discovers that his enthusiasm for Judaism is flagging. He observes the Sabbath, he goes to synagogue, and he even flies to New York on weekends for a series of "speed dates" with nice, eligible Jewish girls. But, something is missing. Looking out of his window and across the street at one of the hundreds of churches in Atlanta, he asks, "What would it be like to be a Christian?" So begins Benjamin Cohen's hilarious journey that is My Jesus Year--part memoir, part spiritual quest, and part anthropologist's mission. Among Cohen's many adventures (and misadventures), he finds himself in some rather unlikely places: jumping into the mosh-pit at a Christian rock concert, seeing his face projected on the giant JumboTron of an African-American megachurch, visiting a potential convert with two young Mormon missionaries, attending a Christian "professional wrestling" match, and waking up early for a sunrise Easter service on top of Stone Mountain--a Confederate memorial and former base of operations for the KKK. During his year-long exploration, Cohen sees the best and the worst of Christianity--from megachurches to storefront churches; from crass commercialization of religion to the simple, moving faith of the humble believer; from the profound to the profane to the just plain laughable. Throughout, he keeps an open heart and mind, a good sense of humor, and takes what he learns from Christianity to reflect on his own faith and relationship to God. By year's end, to Cohen's surprise, his search for universal answers and truths in the Bible Belt actually make him a better Jew.

Everyone's "faith story" is different. In the book, people of Christian and Jewish faiths share their personal stories about this life-changing and powerful event, providing inspiration and encouragement to readers. Chicken Soup for the Soul: Finding My Faith is filled with inspiring stories about the number of ways people discover, or rediscover, their faith -- whether it's Christian or Jewish. The inspirational and powerful stories will touch the hearts and souls of readers.

I AM: A Journey in Jewish Faith is a spiritual/theological meditation on the Shema, the biblical statement of God's oneness that rests in the heart of the Jewish people. Through poetry and prose, Rabbi Eron uses the words of the Shema--"Listen carefully all you people of Israel, the Eternal is our God, the Eternal alone!"--and the three biblical passages that follow it in the Jewish worship service to explore and express a contemporary understanding of the ties that bind each of us and God together. The two fundamental themes of the Shema--declaration of the oneness of God and proclamation that people and God are in a relationship--anchor Eron's presentation of a deeply spiritual expression of monotheistic faith from a modern Jewish perspective. As we discover ourselves as unique individuals, we open our hearts and minds to the God who, like ourselves, is unique. This powerful symmetry provides the foundation upon which we can build the lasting and sustaining relationships that connect us not only to God but also to each other and to all creation.
