~~The Sewing Machine - Natalie Fergie. This book is in complete contrast to my normal reads of crime, thriller and horror. I simply could not resist the positive reviews on all the book social media I am a member of. Which brought me to my second problem with the read, hyped books rarely live up to their reputation.~~

A step-by-step beginner's guide for your sewing machine My Sewing Machine Book is a clear, fun and fresh introduction to sewing on a machine for kids. Packed with easy sewing projects, templates and patterns so your sewing machine projects are successful first-time! Get great tips for threading the machine and picking fabrics then create fun crafts from headbands to pillow cases. Jane's friendly jargon-free instructions and step-by-step photos walk you through everything you need to know to get to grips with your machine. Newly learned skills can then be put to the test with 20 creative and original projects to make - from bags and accessories to cushions and toys.

This jargon-free, fully illustrated guide to using your sewing machine explains essential techniques and offers easy projects for getting started. Straightforward and accessible, Me and My Sewing Machine contains everything you need to know to get the most out of your sewing machine. There are no intimidating specialty techniques, painstaking procedures, or complicated methods. Instead you will find easy-to-understand, practical and decorative techniques that make sewing simple, even if you have never used a machine before. Author and professional crafter Kate Haxell shares clever tips and shortcuts, as well as advice on when you can use these speedy methods and when it really is better to do something the traditional way. Everything is illustrated with step-by-step photography and finished samples. Haxell also includes easy sewing projects that are simple without skimping on style.

A fresh and fun introduction to sewing on a machine for kids, this guide is perfect for budding little crafters.
