The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of

The My Itty-Bitty Bio series are biographies for the earliest readers. This book examines the life of teen professional tennis player Coco Gauff in a simple, age-appropriate way that will help children develop word recognition and reading skills. Includes a table of contents, author biography, timeline, glossary, index, and other informative backmatter.

Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book *Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled*, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete-- climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking--racking up world championships along the way. But while she might seem like just another superhuman playing out a fistful of aces, her empowering

story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. Rusch to Glory is more than an epic story of adventure; it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.

These days, more and more children are going through that rite of passage known as getting braces. Now they can chronicle the experience in this very hip, very cool, and very original journal. Created by bestselling author Dan Price, this beautifully designed

guide is entirely hand-lettered and drawn, and captures every moment, from the first appointment to that blessed day when the orthodontist says "All done!" and finally removes the braces. It has space for before and after photographs, room to track orthodontist visits, "Fun Facts" pages, suggested "Books to Read," the dreaded "Forbidden Foods" list, and fun illustrations on "Troubleshooting" common problems with your braces. This is an all-around great gift!

Someone was trying to kill her - again. As a former cheerleader, Blair Mallory was accustomed to jealousy, but really, you'd think people would get over it. Blair is immersed in her wedding plans when someone tries to run her over. Her fiance, police lieutenant Wyatt Bloodsworth, thinks the episode was just an accident, but Blair knows the attempt was deliberate - and just the beginning...
