Against the ominous backdrop of the influenza epidemic of 1918, Annie, a new girl at school, is claimed as best friend by Elsie, a classmate who is a tattletale, a liar, and a thief. Soon Annie makes other friends and finds herself joining them in teasing and tormenting Elsie. Elsie dies from influenza, but then she returns to reclaim Annie's friendship and punish all the girls who bullied her. Young readers who revel in spooky stories will relish this chilling tale of a girl haunted by a vengeful ghost.

"A nail-biting page turner written with cinematic sparkle" - Jennifer Niven, bestselling author of *All The Bright Places* "Think Serial at Malory Towers" - Katie Lowe, author of *The Furies Welcome to the Magpie Society...* Tragedy has struck Illumen Hall, a prestigious boarding school of tradition and achievement. The body of student Lola Radcliffe is discovered on the beach, and on her back someone has tattooed an elaborate magpie. For new student Audrey, it's just another strange and unsettling thing about her new surroundings. For her roommate Ivy, the death of her friend Lola is something she's desperate to get past - and Audrey's presence isn't helping. But the two girls are thrown together when a mysterious podcast airs, with a sinister headline: I KNOW WHO KILLED LOLA. AND ONE OF YOU IS NEXT. This edition includes the spine-chilling first chapter of *THE MAGPIE SOCIETY: TWO FOR JOY*.

NOW THE MAJOR MOTION PICTURE *JAMIE MARKS IS DEAD* Part thriller, part ghost tale, part love story, *One for Sorrow* is a novel as timeless as *The Catcher in the Rye* and as hauntingly lyrical as *The Lovely Bones*. Christopher Barzak's stunning debut tells of a teenage boy's coming-of-age that begins with a shocking murder and ends with a reason to hope. Adam McCormick had just turned fifteen when the body was found in the woods. It is the beginning of an autumn that will change his life forever. Jamie Marks was a boy a lot like Adam, a boy no one paid much attention to—a boy almost no one would truly miss. And for the first time, Adam feels he has a purpose. Now, more than ever, Jamie needs a friend. But the longer Adam holds on to Jamie's ghost, the longer he keeps his friend tethered to a world where he no longer belongs . . . and the weaker Adam's own ties to the living become. Now, to find his way back, Adam must learn for himself what it truly means to be alive. Praise for *One for Sorrow* "Christopher Barzak's sympathy and humor, his awareness, his easeful vernacular storytelling, are extraordinary, and his mournful, unforgettable teenagers drive us deep into the land of the dead practically before we've even fastened our seatbelts."—Jonathan Lethem, author of *Motherless Brooklyn* "An amazing, original debut from an amazing, original writer. *One for Sorrow* may be the most haunting ghost story I've ever read."—Karen Joy Fowler, author of *The Jane Austen Book Club* "An uncommonly good book with brains, heart, and bravery to spare. Readers who don't find themselves in sympathy with Barzak's characters were never adolescents themselves."—Kelly Link, author of *Magic for Beginners* "An honest and uncanny ride through the shadows between grief and acceptance. This is how real magic works."—Scott Westerfeld, author of *Uglies* and *Extras*

"An epic tale in the tradition of *Watership Down* and *Lord of the Rings*."—Alan Yentob, BBC Director of Drama and Entertainment Darkness has fallen over the realm of Birddom. The skies rain blood, no nest is safe, and the winds are thick with fear, pain, and death. Driven by an unslakable desire to kill and conquer, the black-feathered magpies—aided by their brutish cousins, the crows—have hunted down and slaughtered countless species of smaller birds into extinction. Led by the malevolent, power-mad Slyekin and his sadistic assassin, Traska, their reign of terror has laid waste to the beauty and freedom that was once Birddom. Now Slyekin is preparing to launch his final assault against all that was once pure and proclaim his vile dominion. To stop the gathering storm, Kirrick, a lone robin who witnessed the massacre of everything he loved, must undertake a journey beyond all reckoning. Through danger and deceit, Kirrick soars to all corners of the land, rallying those who would fight to save Birddom. From the proud might of the eagles, to the ancient wisdom of the owls, to the unlikeliest earthbound creatures, the allies of good must join together to oppose the shadowy menace that threatens them all—or fall from the sky forever. In an epic conflict of bloodied beak and razor-sharp talon, of undaunted courage and unspeakable evil, of love, loyalty, and wings of honor, the battle for the very soul of Birddom is about to begin.

A chilling psychological thriller by the Wall Street Journal bestselling author of *Silent Child*. What lengths would you go to if you thought a killer was innocent? Within the walls of the high-security psychiatric facility, Crowmont Hospital, reside many violent offenders. To nurse Leah Smith, no matter what, all offenders are patients first and foremost. When Leah is appointed as nurse to Isabel Fielding, she is determined to remain professional despite the shocking crime Isabel allegedly committed in her past. Seven years ago, six-year-old Maisie Earnshaw was found face down in a duck pond, her body mutilated. Isabel-at age fourteen, found covered in Maisie's blood-was convicted of murder. As Leah spends time with Isabel, she comes to know her as a young woman with a sweet, gentle nature, someone she could never see as a murderer. Leah begins to suspect members of the Fielding family of framing Isabel as a young girl, and she's not the only one. True crime blogger James Gorden thinks Isabel is innocent too. But is Leah letting her own dark past taint her judgement as she grows closer to her patient? Or has a young woman been unjustly robbed of her childhood?

With his family life falling apart after his mother is paralyzed in a drunk-driving accident, Adam McCormik is drawn to the site where the body of a murdered classmate, Jamie Marks, a boy ignored by almost everyone, had been found and finds himself entering into a strange friendship with a ghost. A first novel. Original. 25,000 first printing.

From a New York Times–bestselling author: A novel of a woman's journey from prostitute to brothel madam to murderess to nun in post-World War II France. A sense of adventure and an eagerness to savor life to the fullest impel young, orphaned Elizabeth Fanshawe to escape her cold, unloving home and enlist in the British Army as a driver in 1944. Dispatched to Paris at the close of the Allies' war against the hated Nazis, she soon finds herself swept up in the intoxicating celebratory glee of the newly liberated French. But after she meets the charming, seductive Patrice Ambard, Elizabeth's life takes a sharp turn down a very dark road. Her love for the dashing, hypnotic Frenchman draws Elizabeth, now called Lise, into Patrice's world of crime and high-class prostitution, where she is broken, hardened, and then transformed into the whore-turned-notorious-madam known as La Balafrée, or the Scarred One. Still, her great fall will not be complete until circumstances drive her to commit a shocking murder—and imprisonment ultimately sets her free. A haunting tale of disgrace, degradation, and glorious redemption told in flashbacks from the convent of Belle Source, where Soeur Marie Lise of the Sisters of Bethany remembers her years of sin and her eventual salvation, *Five for Sorrow, Ten for Joy* is moving and powerful fiction from one of the most admired British novelists of the twentieth century. Rumer Godden, author of *Black Narcissus* and *In This House of Brede*, has crafted a truly transformative tale about faith, forgiveness, and the mercy of a loving God. This ebook features an illustrated biography of the author including rare images from the Rumer Godden Literary Estate.

A shake of the dark head, a shudder in the shoulders. Another tiny splash on the linoleum floor. Husband murdered, and now her daughter too. The Inuit, it is said, have forty different words for snow. Never mind about snow, Cardinal mused, what people really need is forty words for sorrow. Grief. Heartbreak. Desolation. There were not enough, not for this childless mother in her empty house. [Forty Words for Sorrow, page 42] The mutilated body of a young girl has been discovered in an abandoned mine shaft on the desolate Lake Nipissing island of Windigo. Missing since September, Katie Pine has finally been found, encased in a block of ice as if preserved in amber. The intense police investigation when she first disappeared had gone nowhere, and Detective John Cardinal went from solving murders to investigating burglaries and petty crimes. But now all bets are off. Cardinal is back on the case; this time with a new partner. Lise Delorme, a sexy and passionate former internal investigator, makes Cardinal uneasy. With a guilty conscience to fuel his suspicion, Cardinal wonders if Delorme isn't there to investigate him. And his suspicions are well founded. Delmore has made a deal with the devil: in order to leave SIU for good, she must gain Cardinal's trust and then betray it. There are allegations of corruption on the force, and Cardinal's "extracurricular" activities during a counterfeiting investigation are being called into question. Delorme is convinced that Cardinal is innocent of any wrongdoing and even when her investigation calls his integrity into question, she is reluctant to believe it. When Cardinal makes the gruesome discovery of the bodies of two more missing teenagers, he doesn't spend time worrying about his suspicions concerning Delorme. His focus is on a more sinister concern—a serial killer hiding somewhere in this quiet northern town. That concern becomes laced with urgency when Karen Steen, a young woman from Guelph, arrives to speak to Cardinal about her missing boyfriend, Keith London. Cardinal begins to believe that Keith is the fourth young person to disappear in Algonquin Bay. But unlike the other victims, he believes that Keith may still be alive. The question now becomes, what is the connection between the three dead and one missing teenager? Can Cardinal and Delorme find Keith London before it's too late?

In Byzantium, the capital of the 6th century Roman Empire, annual games are held to celebrate the founding of the city. Several courtiers, obliged by office to attend, idly watch the chariot races and the bear baiting from the imperial box. Suddenly they - and the crowd - are electrified as a magnificent bull surges into the arena. Those who worship Mithra make quiet reverence to the sacred animal while a trio of bull leapers enters in his wake. John, Lord Chamberlain to the Christian Emperor, is among those surprised into breathing tribute. He soon receives a further shock: surely the lovely young girl vaulting the beast had once been his lover. Later, making his way home through the thronged streets, John stumbles over the body of his friend Leukos, Keeper of the Plate. There are plenty of witnesses: an Egyptian brothel keeper, a young mason working on the Church of the Holy Wisdom, a mad stylite, a henpecked innkeeper, and the bull leapers from Crete. Now duty and guilt demand that John discover the murderer....

Many of the popular, often prophetic, phrases that we use on a day-to-day basis have their roots in traditional folklore. For example: 'One swallow doesn't make a summer'; 'March comes in like a lion and goes out like a lamb'; 'One for sorrow, two for joy'. Such common idioms are familiar to most people, but their history and origins are far from well known. However, in *One for Sorrow* readers will discover that there is a wealth of fascinating stories and history behind them. This charming book is filled with sayings, legends and proverbs derived from the oral history of the countryside and unveils how they came about, what they mean, and how they came to be such a big part of the language we use today. Written with a light touch and expert knowledge, it will entertain and inform in equal measure - perfect for anyone with an interest in the rich and varied heritage of the English language.
