LX100 has received much high praise. In fact, DP Review awarded the camera its highest ever score in its camera class and called it "one of the best photographers' cameras on the market and probably the best zoom compact ever made." In addition, the inclusion of 4k video and 4k photo mode put the LX100 in a class by itself. The Pocket Guide to the Panasonic LUMIX LX100 is a quick and to-the-point companion guide to help you make the most of this highly capable advanced camera. The basic operation of the LX100 is fairly straightforward for those photographers with an understanding of exposure and
