Hollywood moviemaking is one

Download Ebook Planet Hong Kong Popular Cinema

of the constants of American life, but how much has it changed since the glory days of the big studios? David Bordwell argues that the principles of visual storytelling created in the studio era are alive and

Download Ebook Planet Hong Kong Popular Cinema

well, even in today's bloated blockbusters. American filmmakers have created a durable tradition—one that we should not be ashamed to call artistic, and one that survives in both mainstream

entertainment and niche-
marketed indie cinema.

Bordwell traces the
continuity of this tradition
in a wide array of films
made since 1960, from
romantic comedies like Jerry
Maguire and Love Actually to
