MAJIC EYES ONLY is the most authoritative and comprehensive chronicle ever published on the subject of worldwide UFO crashes and subsequent military retrievals from 1897 to the present. The author guides the reader through 74 UFO crash incidents supported by compelling evidence in the form of official documents, eyewitnesses and in some cases physical evidence.

Zawiera poezje, dramati i proz?.

Many of the great mystics and sages in history have told us that their spiritual realizations began in childhood. Gandhi, Albert Einstein, and Abraham Lincoln are just a few famous figures who have reported these events. Based on more than five years of interviews, this book combines startling firsthand accounts of secret spiritual lives, including recollections from adults who have forgotten or repressed such experiences in childhood. The author explains how parents, educators, and therapists can recognize, identify, and nurture children's deep spiritual connections. The book is divided into ten chapters treating the phenomena of wisdom, wonder, and visions, including guiding parents along the spiritual path, building a curriculum, and learning from children.

A powerful billionaire who always gets what he wants. An innocent protégée who will explore the darkest reaches of her own desire. Experience their intoxicating tale-now available for the first time as a complete saga... Anything He Wants Lucy Delacourt's temp position isn't quite her dream job but it pays the bills. The highlight of her day is riding the elevator in the mornings with a handsome stranger. But everything changes when the stranger seduces her. Completely out of character, she yields without a fight, but she has no idea her wanton acts with a man whose name she doesn't know will change her life forever. Because the sexy stranger is none other than Jeremiah Hamilton, billionaire CEO of Hamilton Industries, and one taste isn't nearly enough to satisfy his need. Castaway As the billionaire pulls Lucy deeper into his world of high stakes business deals and ruthless takeovers, he demands nothing less than her complete surrender. But Jeremiah has no place in his life for love, and as Lucy falls deeper for him, she risks having her heart shattered. Making matters worse, Jeremiah's fiercest rival is determined to steal Lucy's affection...and to do it, he'll show her the sinister side of Jeremiah's opulent world. With nowhere to turn and no one to trust, there's only one thing Lucy knows for sure: she'll never be free from Jeremiah's sweet possession. "Smoking HOT! Full of secrets, lust, domination, romance, danger and action. There is so much to like!" -Crazy Four Books

Following in the footsteps of Rigoberta Menchu, Maria Teresa Tula describes her childhood, marriage, and growing family, as well as her awakening political consciousness, activism, imprisonment, and torture. She gains international recognition as a human rights activist through her work in CO-MADRES, the Committee of Mothers and Relatives of Political Prisoners, Disappeared and Assassinated of El Salvador.

An indispensable, hands-on companion to The Index Trading Course In The Index Trading Course, financial experts George Fontanills and Tom Gentile provide an in-depth look at the tools and techniques used to trade in this profitable market. Now, in The Index Trading Course Workbook, Fontanills and Gentile offer a wealth of practical exercises that will help further your understanding of index trading, as well as test and apply what you've learned before you take one step into the real markets-where time and money are luxuries you can't afford to lose. The media assignments found in each chapter are especially useful. They'll help you put the material you've read into action by prompting you to access some of the extensive media tools currently available to all traders-including financial papers, magazines, the Internet, and television. This hands-on companion to The Index Trading Course also includes a complete answer key for every multiple-choice question and covers a wide range of issues related to this discipline such as: Core stock market indexes along with the sector offerings from a variety of financial entities Actively traded index products, including exchange traded funds (ETFs), index options, and ETF options Options strategies used for different trends and volatility situations Indicators and systems Trade adjustments The art of risk management

A historian explores the possibility that the Civil War started not because of slavery, but because the South was chosen to house the nation's leadership instead of in Northern New England where the Revolution had begun. 35,000 first printing.
