Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful franchise includes strong coverage of race, ethnicity, and globalization. Paired with a personal and adaptive learning experience, students learn to apply sociology 's three theoretical frameworks to the world around them. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful, student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology 's three theoretical frameworks to the world around them.

NOTE: You are purchasing a standalone product; MySocLab® does not come packaged with this content. If you would like to purchase both the physical text and MySocLab, search for ISBN-10: 0134126963 / ISBN-13: 9780134126968. That package includes ISBN-10: 0133770990 / ISBN-13: 9780133770995 and ISBN-10: 0133842983 / ISBN-13: 9780133842982. MySocLab should only be purchased when required by an instructor. For courses in Race and Ethnic Relations Understand the changing dynamics of the U.S. population Understanding race and ethnic relations is essential to understanding the United States - where we've been as well as where we're going. Throughout the fourteenth edition of Racial and Ethnic Groups, author Richard T. Schaefer helps students view race and ethnic relations in a socio-historical context, so they can understand the past and best shape the future. The text's student-friendly framework is packed with engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. Incorporating the latest statistics and data, Racial and Ethnic Groups enables educators to stay current in this ever-changing area of study. Also available with MySocLab MySocLab for the Race and Ethnicity course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText. Racial and Ethnic Groups, Fourteenth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. Learn more.

Make Sociology new with McGraw-Hill 's Connect Sociology and the 2nd edition of Sociology in Modules. New to Connect is Investigate Sociology, a brand-new tool that develops students ' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with LearnSmart, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like In their Shoes and Applying the Perspectives that teach sociology 's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many e-book activities. With McGraw-Hill 's digital tools, focus on what you do best—teaching. Unique to this program, Sociology in Modules 2e has the most flexible content on the market. Instead of losing students in chapters that are long, unpecific, or out of order, customize your text and assignments with our modular approach, which breaks chapters into more manageable, topic-focused sections. Sociology in Modules ' flexible content coupled with powerful digital learning tools makes this an ideal choice for your introductory course.

In this 13th edition, Rick Schaefer provides a comprehensive, up-to-date introduction to sociology that appeals to students with a diversity of learning styles. The text focuses on sociology in the global community and encourages students to think about the world they're living in using a sociological imagination.

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well respected text combines a balanced three-perspective approach with excellent student oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full length books.

This revised edition of Richard T. Schaefer 's Sociology: A Brief Introduction provides students with a comprehensive, up-to-date presentation of sociology. Students learn to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, examples that students can relate to, and abundant learning aids and exercises, the new edition continues to encourage the development of sociological imagination. Greater coverage of globalization through a new chapter and boxes focusing on " Social Change in the Global Community " help remove ethnocentric blinders and teaches students to think globally about issues and policies.

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.
