Right now the children of darkness have opened their doors to train men in wickedness. There is an enemy that hates mankind and his progress with perfect hatred. This enemy is known as witchcraft. Pulling Down Foundational Jericho If you cut off the flower, leaf, branch or stem of a tree, within a particular time frame, the part cut off will regenerate. This is because the root is still under the ground to supply enough materials for the regeneration of any part that has been cut off. If on the other hand you pull out a tree along with the root, the story will be over for that tree. In the same vein, if you can spiritually address and destroy the root of the problem you are facing, then that is the end of the problem. Learn to employ this tactic in this book
