~~The Last Frontier The Roman Invasions of Scotland by ...~~
The Last Frontier was all right. It gave a good overview of the current knowledge of Rome's invasions into Scotland with most of the book dealing with the Agricolan and Antonine invasions. The book ended with the aftermath of Rome's withdrawal from Britain and the start of the unification of Scotland.

River Rhine on the last day of AD 406 by a force of Suebi, Vandals, and Alemanni marked the beginning of the end of the Western Roman Empire. The frontier installations were swept aside, as they had been on previous occasions – a sharp reminder that their purpose was frontier control: the defence of the empire rested on the power of the army in fighting – and winning – pitched battles.

~~Roman Frontiers – World Archaeology~~

The Limes Germanicus (Latin for Germanic frontier) is the name given in modern times to a line of frontier fortifications that bounded the ancient Roman provinces of Germania Inferior, Germania Superior and Raetia, dividing the Roman Empire and the unsubdued Germanic tribes from the years 83

The Roman-Persian Wars, also known as the Roman-Iranian Wars, were a series of conflicts between states of the Greco-Roman world and two successive Iranian empires: the Parthian and the Sasanian. Battles between the Parthian Empire and the Roman Republic began in 54 BC; wars began under the late Republic, and continued through the Roman (later Byzantine) and Sasanian empires.

Vespasian, the last of the four emperors standing, remedied this by commissioning a road that crossed the rivers, creating a short cut between the two regions. Thereafter, permanent military bases in the area multiplied until, in Germany as in Britain, the existing security arrangements were consolidated into a formal frontier line by the Emperor Hadrian (AD 117-138).

Limes, (Latin: ˈliːmɪs) plural limites, in ancient Rome, originally a path that marked the boundary between plots of land. Later it came to refer to roads along which troops advanced into unfriendly territory. The word, therefore, came to mean a Roman military road, fortified with watchtowers and forts.

The Last Frontier The Roman Invasions Of Scotland land and sea in 367 against the whole of Roman Britain by the northern Celts in an alliance with the Franks and Saxons. "The Last Frontier" is a fresh account of these momentous events and the background to them, based on a reassessment of the original sources and on recent archaeological evidence. The Last Frontier The Roman Invasions Of Scotland ... The last outpost The Romans also built great frontiers.

"Ancient Scotland, then occupied by Celtic settlers, never

Get Free The Last Frontier The Roman Invasions Of Scotland

became part of the Roman empire, in spite of being invaded on what is now accepted as four, rather than three, occasions. The northernmost frontier of the empire was fortified for only a few years after the battle of Mons Graupius in AD 84, when the Caledonians were defeated by Gnaeus Julius Agricola. An alternative frontier, represented by the elaborate defences of the Antonine Wall, was built in about 142. It was maintained hardly longer than 25 years, and by 180 the Roman invaders had retreated back to Hadrian's Wall. After further Celtic activity, a temporary truce was negotiated personally by the emperor Septimius Severus in 209. Thereafter, until their empire began to collapse, the Romans maintained a fragile hold on Hadrian's Wall in the face of furious attacks by marauding Picts and Scots, and a

Get Free The Last Frontier The Roman Invasions Of Scotland

combined operation by land and sea in 367 against the whole of Roman Britain, by the northern Celts in an alliance with the Franks and Saxons."--Jacket.

The Antonine Wall, which runs across Scotland from the Firth of Forth to the Firth of Clyde, has been described as "Rome's Last Frontier," as it was the Empire's most northern outpost. But the real outpost, about which modern excavation is revealing more and more information, was the Gask Ridge in Perthshire. Research over the last 50 years has revolutionized our picture of the Roman occupation of the north of Scotland, well before the time of the famous governor Agricola. Moreover, the Roman remains can now be set more firmly in the context of the pre-existing native society.

Get Free The Last Frontier The Roman Invasions Of Scotland

Economics to Government, from Russian Politics to Recent History, North Castle Books will occupy an important place on bookshelves. Each edition will be reasonably priced, affording students, scholars, and serious readers the means to expand their horizons and broaden their aesthetic understanding. The story of the Cheyenne Indians in the 1870s, and their bitter struggle to flee from the Indian Territory in Oklahoma back to their home in Wyoming and Montana."Mr. Fast's novel will stand or fall upon its value as a dramatic, finely presented story. It is all of that: a model, which may easily become a classic example, of what to put in and what to leave out in the writing of a historical novel. ... I do not believe it is saying too much to suggest that in the person of Mr. Fast we may have the next really important American historical novelist". --

Get Free The Last Frontier The Roman Invasions Of Scotland

Joseph Henry Jackson, New York Herald Tribune Books"Fast's writing, austere polished and austere poetic, is admirably suited to this epic tale of a desperate effort for dignified survival. ... Fast has gotten to the core of this incident and made it into a rich American novel". -- New York Times Book Review"An amazing restoration and reconstruction. The characters breathe, the landscape is solid ground and sky, and the story runs flexibly along the zigzag trail of a people driven by a deep instinct to their ancient home. I do not know any other episode in Western history that has been so truly and subtly perpetuated as this one. A great story lost has been found again, and as here told promises to live for generations". -- Carl Van Doren

This book examines politics in terms of space fiction, international relations and theory, using the Star Wars and Star Trek television and movie franchises to illustrate these dimensions.

A wall in the distant north cuts the world in two. Ruthless sea-born warriors raid the coasts from their war galleys, yearning to regain lost glories. A young nobleman and his kin are slaughtered under a banner of truce within a mighty castle. A warrior king becomes a legend when he smites his foe with one swing of his axe during a nation-forging battle. Yet this isn't Westeros – it's Scotland. Game of Thrones is history re-imagined as fantasy; The History Behind Game of Thrones: The North Remembers turns the tables, using George R. R.

Get Free The Last Frontier The Roman Invasions Of Scotland

Martin's extraordinary fictional universe as a way to understand the driving forces and defining moments from Scotland's story. Why were castles so important? Was there a limit to the powers a medieval king could use – or abuse? What was the reality of being under siege? Was there really anything that can compare to the destructive force of dragons? By joining forces, Westeros and Scotland hold the answers. Writer and presenter David C. Weinczok draws on a vast array of characters, events, places, and themes from Scottish history that echo Game of Thrones at every dramatic turn. Visit the castle where the real Red Wedding transpired, encounter the fearsome historical tribes beyond Rome's great wall, learn how a blood-red heart became the most feared sigil in Scotland, and much more. By journey's end,

Get Free The Last Frontier The Roman Invasions Of Scotland

the cogs in the wheels of Martin's world and Scottish history will be laid bare, as well as the stories of those who tried to shape it and sometimes even break it them.

The Roman conquests of Macedonia in the 2nd century BC led directly to the extension of their authority over the troublesome tribes of Thrace to the south of the Danube. But their new neighbor on the other side of the mighty river, the kingdom of the Dacians, was to pose an increasing threat to the Roman empire. Inevitably, this eventually provoked Roman attempts at invasion and conquest. It is a measure of Dacian prowess and resilience that several tough campaigns were required over more than a century before their kingdom was added to the Roman Empire. It was one of the Empire's

Get Free The Last Frontier The Roman Invasions Of Scotland

last major acquisitions (and a short-lived one at that). Dr. Michael Schmitz traces Roman involvement in the Danube region from first contact with the Thracians after the Third Macedonian War in the 2nd century BC to the ultimate conquest of Dacia by Trajan in the early years of the 2nd Century AD. Like the other volumes in this series, this book gives a clear narrative of the course of these wars, explaining how the Roman war machine coped with formidable new foes and the challenges of unfamiliar terrain and climate. Specially commissioned color plates bring the main troop types vividly to life in meticulously researched detail.

Identifying the psychological benefits of an afterlife communication practice that the author believes can assuage

Get Free The Last Frontier The Roman Invasions Of Scotland

negative feelings about loss and death, an analysis of religious and historical views draws on near-death experiences and after-death communication to reveal how everyday people can make contact with the afterlife. Original.

Legio IX Hispana had a long and active history, later founding York from where it guarded the northern frontiers in Britain. But the last evidence for its existence in Britain comes from AD 108. The mystery of their disappearance has inspired debate and imagination for decades. The most popular theory, immortalized in Rosemary Sutcliffe's novel *The Eagle of the Ninth*, is that the legion was sent to fight the Caledonians in Scotland and wiped out there. But more recent archaeology (including evidence that London was

Get Free The Last Frontier The Roman Invasions Of Scotland

burnt to the ground and dozens of decapitated heads) suggests a crisis, not on the border but in the heart of the province, previously thought to have been peaceful at this time. What if IX Hispana took part in a rebellion, leading to their punishment, disbandment and damnatio memoriae (official erasure from the records)? This proposed "Hadrianic War" would then be the real context for Hadrian's "visit" in 122 with a whole legion, VI Victrix, which replaced the "vanished" IX as the garrison at York. Other theories are that it was lost on the Rhine or Danube, or in the East. Simon Elliott considers the evidence for these four theories, and other possibilities.
