An entertaining seat at the table of ten power meals that shaped history—including the menus and recreated recipes! Some of the most consequential decisions in history were decided at the dinner table, accompanied—and perhaps influenced—by copious amounts of food and drink. This fascinating book explores ten of those pivotal meals, presenting the contexts, key participants, table talk, and outcomes of each. It offers unique insight into the minds and appetites of some of history's most famous and notorious characters, including Bonnie Prince Charlie, George Washington, Alexander Hamilton, Thomas Jefferson, Adolf Hitler, Winston Churchill, Joseph Stalin, Mao Zedong, and Richard Nixon. Feasting on leg of lamb, Bonnie Prince Charlie doomed the Jacobite Army at Culloden. A uniquely American menu served with French wine lubricated the conversation between rivals Jefferson and Hamilton that led to the founding of the US financial system and the location of the nation's capital in Washington. After schweinwurst and sauerkraut with Adolf Hitler at his Berghof residence, Austrian chancellor Kurt von Schuschnigg agreed to the complete integration of Austria into the Third Reich. Celebrity chef Tony Singh has researched the menus and recipes for all ten dinners down to the last detail and recreates them here. The book contains fifty-five recipes from soup to desert and lists the spirits as well.

From Newbery Medalist Jerry Spinelli comes the story of a girl searching for happiness inside the walls of a prison. And don't miss the author's highly anticipated new novel, *Dead Wednesday!* Cammie O'Reilly lives at the Hancock County Prison--not as a prisoner, she's the warden's daughter. She spends the mornings hanging out with shoplifters and reformed arsonists in the women's exercise yard, which gives Cammie a certain cache with her school friends. But even though Cammie's free to leave the prison, she's still stuck. And sad, and really mad. Her mother died saving her from harm when she was just a baby. You wouldn't think you could miss something you never had, but on the eve of her thirteenth birthday, the thing Cammie most wants is a mom. A prison might not be the best place to search for a mother, but Cammie is determined and she's willing to work with what she's got. "A tapestry of grief and redemption, woven by a master
