It's the 11th outing for the unorthodox Harry Hole and we meet him having achieved some semblance of contentment in his new life as police lecturer. But he is drawn back to the frontline in the hunt for a serial killer - one with vampire-ish proclivities.

#1 International Best Seller In this electrifying new thriller from the author of Police and The Snowman, Inspector Harry Hole hunts down a serial murderer who targets his victims . . . on Tinder. The murder victim, a self-declared Tinder addict. The one solid clue—fragments of rust and paint in her wounds—leaves the investigating team baffled. Two days later, there's a second murder: a woman of the same age, a Tinder user, an eerily similar scene. The chief of police knows there's only one man for this case. But Harry Hole is no longer with the force. He promised the woman he loves, and he promised himself, that he'd never go back: not after his last case, which put the people closest to him in grave danger. But there's something about these murders that catches his attention, something in the details that the investigators have missed. For Harry, it's like hearing "the voice of a man he was trying not to remember." Now, despite his promises, despite everything he risks, Harry throws himself back into the hunt for a figure who haunts him, the monster who got away. STARRED REVIEW "Exceptional . . . Nesbo depicts a heartbreakingly conflicted Harry, who both wants to forget the horrors he's trying to prevent and knows he has to remember them in all their grim detail." --Publishers Weekly

HARRY HOLE IS BACK! The blistering Sunday Times number one bestseller! 36 MILLION BOOKS SOLD WORLDWIDE THERE'S A NEW KILLER ON THE STREETS A woman is found murdered after an internet date. The marks left on her body show the police that they are dealing with a particularly vicious killer. AND HE'S OUT FOR BLOOD Under pressure from the media to solve the crime, the force know there's only one man for the job. But Harry Hole is reluctant to return to the place that almost took everything from him. Until he starts to suspect a connection between this killing and his one failed case... 'The king of all crime writers' Sunday Express 'Fast-moving... Stunning' Sunday Times

Brilliant, audaciously rogue police officer, Harry Hole from The Snowman and The Thirst, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

HARRY HOLE IS BACK! The blistering new NUMBER ONE bestseller! THERE'S A NEW KILLER ON THE STREETS... A woman is found murdered after an internet date. The marks left on her body show the police that they are dealing with a particularly vicious killer. HE'S IN YOUR HOUSE... HE'S IN YOUR ROOM Under

pressure from the media to find the murderer, the force know there's only one man for the job. But Harry Hole is reluctant to return to the place that almost took everything from him. Until he starts to suspect a connection between this killing and his one failed case. HE'S OUT FOR BLOOD When another victim is found, Harry realises he will need to put everything on the line if he's to finally catch the one who got away. 'An expertly plotted, compelling and gripping white-knuckle ride... Nesbo deserves to be crowned the king of all crime thriller writers' Sunday Express on THE SON 'Nesbo deploys all the key ingredients of a cracking good thriller with expertise and verve. The ticking clock, the tension expertly ratcheted ever upwards, the changing scenery, the constantly shifting goalposts and the effortless, triumphant outpacing of the reader's ability to guess what's going to happen will keep you gripped to the last page' Guardian on THE LEOPARD 'The undisputed king of Scandinavian crime fiction' The Times 'Scandinavian crime thrillers don't come much darker or more tense than the best-selling Harry Hole series, and this tenth outing for the Norwegian detective is the best yet' Sunday Mirror on POLICE

With more than seven million copies sold worldwide, and translated into over forty languages, Jo Nesbo's Harry Hole series is an international phenomenon. Detective Harry Hole is a genuine anti-hero: a handsome loner, an alcoholic and workaholic who is tormented in his personal life even as he is revered by his colleagues for his unwavering sense of justice and proven police instincts. Harry's self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him "the best investigator in the department and the worst public servant." First-class thrillers with high voltage suspense and complex plotting, The Snowman, The Leopard and Phantom are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. "Jo Nesbo is my favorite thriller writer and Harry Hole my new hero." -Michael Connelly "Exuberantly, ingeniously gruesome." -The Telegraph

HARRY HOLE IS BACK! READ THE OPENING CHAPTERS OF THE BLISTERING NEW THRILLER FROM THE NUMBER 1 BESTSELLING AUTHOR OF THE SNOWMAN AND POLICE AHEAD OF PUBLICATION. THERE'S A NEW KILLER ON THE STREETS... A woman is found murdered after an internet date. The marks left on her body show the police that they are dealing with a particularly vicious killer. HE'S IN YOUR HOUSE... HE'S IN YOUR ROOM Under pressure from the media to find the murderer, the force know there's only one man for the job. The internationally acclaimed author of Blood on Snow and the Harry Hole novels now gives us the tightly wound tale of a man running from retribution, a renegade hitman who goes to ground far above the Arctic circle, where the never-setting sun might slowly drive a man insane. He calls himself Ulf—as good a name as any, he thinks—and the only thing he's looking for is a place where he won't be found by Oslo's most notorious drug lord: the Fisherman. He was once the Fisherman's fixer, but after betraying him, Ulf is now the one his former boss needs fixed—which may not be a problem for a man whose criminal reach is boundless. When Ulf gets off the bus in Kåsund, on Norway's far northeastern border, he sees a "flat, monotonous, bleak landscape . . . the perfect hiding place. Hopefully." The locals—native Sami and followers of a particularly harsh Swedish version of Christianity—seem to accept Ulf's explanation that he's come to hunt, even if he has no gun and the season has yet to start. And a bereaved, taciturn woman and her curious, talkative young son supply him with food, the use of a cabin deep in the woods, a weapon—and companionship that stirs something in him he thought was long dead. But the agonizing wait for the inevitable moment when the Fisherman's henchmen will show—the midnight sun hanging in the sky like an unblinking, all-revealing eye—forces him to question if redemption is at all possible or if, as he's always believed, "hope is a real bastard."

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented "fixer" for one of Oslo's most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-crisis narrator with a storyteller's hypnotic knack for fantasy. He has an "innate talent for subordination" but running through his veins is a "virus" born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his

Download Ebook The Thirst Harry Hole 11

Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

Grainy CCTV footage shows a man walking into a bank and putting a gun to a cashier's head. He tells her to count to twenty-five. When he doesn't get his money in time, she is executed. Detective Harry Hole is assigned to the case. While Harry's girlfriend is away in Russia, an old flame gets in touch. He goes to dinner at her house and wakes up at home with no memory of the past twelve hours. The same morning the girl is found shot dead in her bed. Harry begins to receive threatening e-mails. Is someone trying to frame him for this unexplained death? Meanwhile the bank robberies continue with unparalleled savagery. Gripping and surprising, *Nemesis* is the new thriller by one of the biggest stars of Scandinavian crime fiction.
