From the author of the acclaimed Crooked Heart comes another “smart, funny, ingenious, revealing tale of London life during the Second World War” (The Independent)—longlisted for the Orange Prize upon its original publication in England. It is 1940. France has fallen, and only a narrow strip of sea lies between Great Britain and invasion. The war could go either way and everyone must do their bit. Young copy writer Catrin Cole is drafted into the Ministry of Information to help “write women” into propaganda films—something that the men aren’t very good at. She is quickly seconded to the Ministry’s latest endeavor: a heart-warming tale of bravery and rescue at Dunkirk. It’s all completely fabricated, of course, but what does that matter when the nation’s morale is at stake? Since call-up has stripped the industry of its brightest and best, it is the callow, the jaded and the utterly unsuitable who must make up the numbers: Ambrose Hilliard, third most popular British film-star of 1924; Edith Beadmore, Madame Tussauds wardrobe assistant turned costumier; and Arthur Frith, whose peacetime job as a catering manager has not really prepared him for his sudden, unexpected elevation to Special Military Advisor. Now in a serious world, in a nation under siege, they must all swallow their mutual distaste, ill-will, and mistrust to unite for the common good, for King and Country, and—in one case—for better or worse.... “Evans displays a fine eye for detail and for the absurdities involved in filming. She also brilliantly evokes the disruption and dangers of wartime London. This funny, heart-warming and beautifully crafted novel is a must-read.”—Daily Mail (London)

Now a major film starring Gemma Arterton, Sam Claflin and Bill Nighy. It's 1940. In a small advertising agency in Soho, Catrin Cole writes snappy lines for Vida Elastic and So-Bee-Fee gravy browning. But the nation is in peril, all skills are transferable and there's a place in the war effort for those who have a knack with words. Catrin is conscripted into the world of propaganda films. After a short spell promoting the joy of swedes for the Ministry of Food, she finds herself writing dialogue for 'Just an Ordinary Wednesday', a heart-warming but largely fabricated 'true story' about rescue and romance on the beaches of Dunkirk. And as bombs start to fall on London, she discovers that there's just as much drama, comedy and passion behind the scenes as there is in front of the camera . . . Originally published as Their Finest Hour and a Half

In 1940, every draft of every film script had to be approved by the Ministry of Information. Cast and crew were waiting to be called up at any moment, travel was restricted and filming was interrupted by regular bombing raids. And so it is that we find a

The second volume in the WWII history “written with simplicity, lucidity, and gusto” by the legendary leader and Nobel Prize winner (The New York Times). In Their Finest Hour, Winston Churchill describes the invasion of France and a growing sense of dismay in Britain. Should Britain meet France’s desperate pleas for reinforcements or conserve their resources in preparation for the inevitable German assault? In the book’s second half, entitled simply “Alone,” Churchill discusses Great Britain’s position as the last stronghold against German conquest: the battle for control of the skies over Britain, diplomatic efforts to draw the United States into the war, and the spreading global conflict. Their Finest Hour is part of the epic six-volume account of World War II told from the viewpoint of a man who led in the fight against tyranny, and enriched with extensive primary sources including memos, letters, orders, speeches, and telegrams, day-by-day accounts of reactions as the drama intensifies. Throughout these volumes, we listen as strategies and counterstrategies unfold in response to Hitler’s conquest of Europe, planned invasion of England, and assault on Russia, in a mesmerizing account of the crucial decisions made as the fate of the world hangs in the balance.

The untold story of the female British secret agent forgotten by history.

Thirty years after The Beatles split up, the music of Lennon, McCartney, Harrrrison and Starkey lives on. What exactly were the magical ingredients of those legendary songs? Why are they still so influential for today's bands? This ground-breaking book sets out to explore The Beatles' songwriting techniques in a clear and readable style. It is aimed not only at musicians but anyone who has ever enjoyed the work of one of the most productive and successful songwriting partnerships of the 20th Century. Author Dominic Pedler explores the chord sequences, melodies, harmonies, rhythms and structures of The Beatles' self-penned songs, while challenging readers to enhance their appreciation of the lyrics themselves with reference to the musical context. Throughout the book the printed music and lyrics of The Beatles' songs appear alongside the text, illustrating the author's explanations. The Songwriting Secrets Of The Beatles is an essential addition to Beatles literature - a new and perceptive analysis of both the music and the lyrics written and performed by what Paul McCartney still calls 'a really good, tight little band'.

Two lives. One hour. A lifetime consequence. I believe in choice, not fate. I chose to nurse a broken heart at the kitschy country bar that night. I chose to let Isaac Cordova buy me a drink. I chose to spend one hour with a near stranger in an attempt to soothe my pain. No last names, no details about our lives, just one hour where I was allowed to forget, and then we would never see each other again. But was it a choice when I ran into him five years later? I needed help, and he was the only person equipped to give it. Our instant attraction doesn't feel like much of a choice either, but it doesn't matter. Everything has changed. Now my choices impact other people. And what will I choose? Do I keep Isaac out? Do I dare to let him in?
