5.0 out of 5 stars Thumb Position for Cello , Bk 2: "Thumbs of Steel. December 4, 2013. Format: Paperback Verified Purchase. This book offers some wonderful basic information for any cellists needing a good foundation on thumb position. It can also apply to advanced or intermediate cellists! One person found this helpful.

As with the other books in his ...for Cello series, Rick Mooney has made the learning of a specific technique easier and more enjoyable than ever before. Book 2 continues where Book 1 left off and includes classical music, folk tunes, and original pieces by Rick Mooney such as "Around the Gypsy Campfire," "Harry the Hirsute Housefly," "Petite Partita" and much more. As in Book 1, all of the pieces have been arranged as duets, with a second cello part for the teacher (or other students in a group class) to play.

classical music as well as folk songs, fiddle tunes and Mooney originals composed to address specific technical points. A second cello part throughout promotes a student's ability to hear and play accurately.

As with the other books in his ...for Cello series, Rick Mooney has made the learning of a specific technique easier and more enjoyable than ever before. Book 2 continues where Book 1 left off and includes classical music, folk tunes, and original pieces by Rick Mooney such as "Around the Gypsy Campfire," "Harry the Hirsute Housefly," "Petite Partita" and much more. As in Book 1, all of the pieces have been arranged as duets, with a second cello part for the teacher (or other students in a group class) to play.

Position Pieces for Cello is designed to give students a logical and fun way to learn their way around the fingerboard. Each hand position is introduced with exercises called "Target Practice," "Geography Quiz," and "Names and Numbers." Following these exercises are tuneful cello duets which have been specifically composed to require students to play in that hand position. In this way, students gain a thorough knowledge of how to find the hand positions and, once there, which notes are possible to play. Using these pieces (with names like "I Was a Teenage Monster," "The Irish Tenor," and

"I've Got the Blues, Baby"), position study on the cello has never been so much fun!

What does it mean to perform expressively on the cello? In *Cello Practice, Cello Performance*, professor Miranda Wilson teaches that effectiveness on the concert stage or in an audition reflects the intensity, efficiency, and organization of your practice. Far from being a mysterious gift randomly bestowed on a lucky few, successful cello performance is, in fact, a learnable skill that any player can master. Most other instructional works for cellists address techniques for each hand individually, as if their movements were independent. In *Cello Practice, Cello Performance*, Wilson demonstrates that the movements of the hands are vitally interdependent, supporting and empowering one another in any technical action. Original exercises in the fundamentals of cello playing include cross-lateral exercises, mindful breathing, and one of the most detailed discussions of intonation in the cello literature. Wilson translates this practice-room success to the concert hall through chapters on performance-focused practice, performance anxiety, and common interpretive challenges of cello playing. This book is a resource for all advanced cellists—college-bound high school students, undergraduate and graduate

students, educators, and professional performers—and teaches them how to be their own best teachers.

Double stops provide excellent learning material for the young and advancing cellist in this Rick Mooney book. More than 60 familiar folk songs—many in the Suzuki repertoire—help the student learn skills such as hearing intonation, shaping the hand correctly, shifting, extensions, and preparing for future repertoire.

Thumb Position Studies for the Cello, Book Seven provides the advanced cellist with a new set of essential daily studies in thumb position. Each short exercise moves through six keys so the spaces can be learned in a variety of positions. Thumb Position Studies for the Cello, Book Seven covers stretching and extending out of thumb position.

Titles: Largo and Allegro from the Sonata in G minor (H. Eccles) \* Bourrées from the Suite in C Major, BWV 1009 (J.S. Bach) \* Gavotte, Op. 23, No. 2 (D. Popper) \* Sicilienne (M.T. von Paradis). This title is available in SmartMusic.

(Instructional). This classic book offers studies of scales and arpeggios in all of their various bowed, fingered and rhythmic combinations, with excellent exercises progressing in difficulty and encompassing
