Best known for his portrayals of large-scale family drama, Tracy Letts' new play narrows in focus, zooming in on the life of just one woman, though her story is no less complex. This intimate snapshot of a simple life provides an enlightening examination of a complicated human mind.

“Letts is a master of pitch-dark comedies that measure the grisliest depths of human behavior...Linda Vista is very funny, equally unsettling...An inspired, ruthless take on the classic midlife-crisis comedy.” —Ben Brantley, *New York Times*
Fifty-year-old Wheeler is moving into his own apartment after a nasty divorce. With a blend of humor and humanity, Pulitzer Prize-winning playwright Tracy Letts demonstrates the ultimate midlife crisis: the bewildering search for self-discovery once you've already grown up.

A new Chicago-set comedy by the author of *August: Osage County*.

On the surface, the life of Ken Carpenter, a solidly married fifty-seven-year-old insurance salesman, is uneventful: silent rides in his luxury sedan, cafeteria encounters with Salisbury steak and lime Jell-O, visits to his mother in the nursing home, and the minister's sermons at the Baptist church. Then one night he is jolted awake, tortured by the discovery that he no longer believes in God. Encouraged by his minister, Ken decides to find himself and his faith by impulsively flying to London, where he navigates the new and somewhat dangerous realm of British counterculture. Tracy Letts's play dares to ask the big questions, revealing the hidden yearning and emotion that can spur eccentric behaviour in outwardly conventional people.

Winner of the Pulitzer Prize in drama as well as Tony Awards for best play and best actor, Tracy Letts has emerged as one of the greatest playwrights of the twenty-first century. *Understanding Tracy Letts*, the first book dedicated to his writing, is an introduction to his plays and an invitation to engage more deeply with his work—both for its emotional power and cultural commentary. Experiencing a Tracy Letts play often feels akin to reading a Cormac McCarthy novel, watching a Cohen Brothers film, and seeing an episode of *Breaking Bad* at the same time. His characters can be ruthlessly cruel and funny, selfish and generous, delusional and incisive, and deceptive and painfully honest. They keep secrets. They harbor biases and misconceptions. And in their quest to find love and understanding, they often end up being the greatest impediments to their own happiness. As a writer, Letts can move seamlessly from the milieu of a Texas trailer park to the pulsating nightlife of London's countercultural scene, the stifling quiet of small-town Ohio to the racial tensions of urban Chicago. He thrives in the one-act format, in plays like *Mary Page Marlow* and *The Minutes*, as well as the epic scope of *August: Osage County* and *Linda Vista*. With a musician's sense of timing, Letts shifts between humor and heartache, silence and sound, and the mundane and the poetic. And he fearlessly tackles issues such as gender bias, racism, homophobia, and disability rights. Contemporary American life thus becomes a way to comment on the country's troubled history from Native American genocide to the civil rights movement. The personal narratives of his characters become gateways to the political. *Understanding Tracy Letts* celebrates the range of Letts's writing, in part, by applying different critical approaches to his works. Whether through the lens of disability studies, the conspiracy genre, food studies, the feminist politics of

quilting, or masculinity studies, these readings help bring out the thematic richness and sociopolitical dimensions of Letts's work.

A searing new comedy from the Pulitzer Prize-winning playwright of *August: Osage County*.
