by Thomas King. Before he became the respected author of such books as Green Grass, Running Water, Thomas King just couldn ' t win. When he wore a suit and reasoned like a non-Indian, he wasn ' t authentic. When he wore jewellery and a ribbon shirt and complained like an Indian, he wasn ' t an expert. So he engages in a nice bit of subterfuge in his newest book, The Truth About Stories: he dresses the book in a suit of linear non-fiction that looks an awful lot like a piece of aboriginal ...

~~Truth About Stories by Thomas King~~

Winner of the 2003 Trillium Book Award "Stories are wondrous things," award-winning author and scholar Thomas King declares in his 2003 CBC Massey Lectures. "And they are dangerous." Beginning with a traditional Native oral story, King weaves his way through literature and history, religion and politics, popular culture and social protest, gracefully elucidating North America's relationship with its Native peoples. Native culture has deep ties to storytelling, and yet no other North American culture has been the subject of more erroneous stories. The Indian of fact, as King says, bears little resemblance to the literary Indian, the dying Indian, the construct so powerfully and often destructively projected by White North America. With keen perception and wit, King illustrates that stories are the key to, and only hope for, human understanding. He compels us to listen well.

The lives of the inhabitants of two towns, Truth and Bright Water, separated by a river running between Montana and an Ottawa Indian reservation, intertwine over the course of a summer as seen through the eyes of two young boys, Tecumseh and his cousin Lum, in a novel about life, love, family secrets, and growing up. Reprint.

Strong, sassy women and hard-luck, hard-headed men, all searching for the middle ground between Native American tradition and the modern world, perform an elaborate dance of approach and avoidance in this magical, rollicking tale by award-winning author Thomas King. Alberta, Eli, Lionel and others are coming to the Blackfoot reservation for the Sun Dance. There they will encounter four Indian elders and their companion, the trickster Coyote—and nothing in the small town of Blossom will be the same again. . . .

One Good Story, That One is a collection steeped in native oral tradition and shot through with Thomas King ' s special brand of wit and comic imagination. These highly acclaimed stories conjure up Native and Judeo-Christian myths, present-day pop culture, and literature while mixing in just the right amount of perception and experience.

Much literary scholarship has been devoted to the flowering of Native American fiction and poetry in the mid-twentieth century. Yet, Robert Warrior argues, nonfiction has been the primary form used by American Indians in developing a relationship with the written word, one that reaches back much further in Native history and culture. Focusing on autobiographical writings and critical essays, as well as communally authored and political documents, The People and the Word explores how the Native tradition of nonfiction has both encompassed and dissected Native experiences. Warrior begins by tracing a history of American Indian writing from the eighteenth century to the late twentieth century, then considers four particular moments: Pequot intellectual William Apess ' s autobiographical writings from the 1820s and 1830s; the Osage Constitution of 1881; narratives from American Indian student experiences, including accounts of boarding school in the late 1880s; and modern Kiowa writer N. Scott Momaday ' s essay " The Man Made of Words, " penned during the politically charged 1970s. Warrior ' s discussion of Apess ' s work looks unflinchingly at his unconventional life and death; he recognizes resistance to assimilation in the products of the student print shop at the Santee Normal Training School; and in the Osage Constitution, as well as in Momaday ' s writing, Warrior sees reflections of their turbulent times as well as guidance for our own. Taking a cue from Momaday ' s essay, which gives voice to an imaginary female ancestor, Ko-Sahn, Warrior applies both critical skills and literary imagination to the texts. In doing so, The People and the Word provides a rich foundation for Native intellectuals ' critical work, deeply entwined with their unique experiences. Robert Warrior is professor of English and Native American studies at the University of Oklahoma. He is author of Tribal Secrets: Recovering American Indian Intellectual Traditions (Minnesota, 1994) and coauthor, with Paul Chaat Smith, of Like a Hurricane: The Indian Movement from Alcatraz to Wounded Knee.

In The Inconvenient Indian, Thomas King offers a deeply knowing, darkly funny, unabashedly opinionated, and utterly unconventional account of Indian—White relations in North America since initial contact. Ranging freely across the centuries and the Canada—U.S. border, King debunks fabricated stories of Indian savagery and White heroism, takes an oblique look at Indians (and cowboys) in film and popular culture, wrestles with the history of Native American resistance and his own experiences as a Native rights activist, and articulates a profound, revolutionary understanding of the cumulative effects of ever-shifting laws and treaties on Native peoples and lands. Suffused with wit, anger, perception, and wisdom, The Inconvenient Indian is at once an engaging chronicle and a devastating subversion of history, insightfully distilling what it means to be " Indian " in North America. It is a critical and personal meditation that sees Native American history not as a straight line but rather as a circle in which the same absurd, tragic dynamics are played out over and over again. At the heart of the dysfunctional relationship between Indians and Whites, King writes, is land: " The issue has always been land. " With that insight, the history inflicted on the indigenous peoples of North America—broken treaties, forced removals, genocidal violence, and racist stereotypes—sharpens into focus. Both timeless and timely, The Inconvenient Indian ultimately rejects the pessimism and cynicism with which Natives and Whites regard one another to chart a new and just way forward for Indians and non-Indians alike.

A collection of original stories written by some of the country ' s most celebrated Aboriginal writers, and inspired by pivotal events in the country ' s history. Inspired by history, Our Story is a beautifully illustrated collection of original stories from some of Canada ' s most celebrated Aboriginal writers. Asked to explore seminal moments in Canadian history from an Aboriginal perspective, these ten acclaimed authors have travelled through our country ' s past to discover the moments that shaped our nation and its people. Drawing on their skills as gifted storytellers and the unique perspectives their heritage affords, the contributors to this collection offer wonderfully imaginative accounts of what it ' s like to participate in history. From a tale of Viking raiders to a story set during the Oka crisis, the authors tackle a wide range of issues and events, taking us into the unknown, while also bringing the familiar into sharper focus. Our Story brings together an impressive array of voices — Inuk, Cherokee, Ojibway, Cree, and Salish to name just a few — from across the country and across the spectrum of First Nations. These are the novelists, playwrights, journalists, activists, and artists whose work is both Aboriginal and uniquely Canadian. Brought together to explore and articulate their peoples ' experience of our country ' s shared history, these authors ' grace, insight, and humour help all Canadians understand the forces and experiences that have made us who we are. From celebrated Indigenous author Thomas King and award-winning M é tis artist Natasha Donovan comes a powerful graphic novel about a family caught between nations. Borders is a masterfully told story of a boy and his mother whose road trip is thwarted at the border when they identify their citizenship as Blackfoot. Refusing to identify as either American or Canadian first bars their entry into the US, and then their return into Canada. In the limbo between countries, they find power in their connection to their identity and to each other. Borders explores nationhood from an Indigenous perspective and resonates deeply with themes of identity, justice, and belonging.
