Tyrant's Throne: The Greatcoats Book 4 - Kindle edition by ...

Tyrant's Throne was one of the most satisfying endings to a series that I've had the privilege of reading. At the start of the series in Traitor's Blade, we have this trio of best friends; magistrates called the Greatcoats, or less affectionately known as Trattari, scorned by the people of Tristia and on a mission to further the obscure plans of their executed King in honour of his dreams of a better country.

After years of struggle and sacrifice, Falcio val Mond, First Cantor of the Greatcoats, is on the brink of fulfilling his final mission: Aline, the king ' s daughter, is about to take the throne and restore the rule of law once and for all. But for the Greatcoats, nothing is ever that simple. In the neighboring country of Avars, an enigmatic new warlord is uniting the barbarian armies that have long plagued Tristia ' s borders—and even worse, he is rumored to have a new ally: Trin, who ...

Saints Blood has seeped into my bloodstream. Saints Blood is by far, imo the best entry in the series so far. Its a worthy entry for a penultimate book and it exceeded my expectation of the series.

Saint's Blood (Greatcoats, #3) by Sebastien de Castell

Traitor's Blade, his award-winning debut novel, the first in his bestselling series The Greatcoats, is followed by Knight's Shadow, Saint's Blood and Tyrant's Throne. He is also writing a YA series, starting with Spellslinger.

Saint's Blood (Greatcoats Series #3)|NOOK Book

Fourth and final volume in the swashbuckling fantasy action series the Greatcoats. The first book was 'Traitor's Blade', and since there's not enough exposition in this volume to bring new readers up to speed, they should start there. Regular readers, read on. This one runs for five hundred and eighty six pages.

'First-rate fiction, first rate adventure, first rate full stop' - Sunday Times bestseller Conn Iggulden. Would you - could you? - uphold the law at the cost of those you love? Falcio val Mond, First Cantor of the Greatcoats, is on the brink of fulfilling his dead King's dream: Aline is about to take the throne and restore the rule of law once and for all. But for the Greatcoats, nothing is ever that simple. In neighbouring Avars, an enigmatic new warlord is uniting the barbarian armies and even worse, he is rumoured to have a new ally: Falcio's old nemesis Trin. With the armies of Avars at her back, she'll be unstoppable. Falcio, Kest and Brasti go racing north to stop her, but in those cold, treacherous climes they discover something altogether different - and far more dangerous: a new player plans to take the throne of Tristia, and the Greatcoats, for all their determination and skill, may not be able to stop him.

'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal. How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

Following his beloved debut, Traitor's Blade, Sebastien de Castell returns with volume two of his fast-paced fantasy adventure series, inspired by the swashbuckling action and witty banter of The Three Musketeers. Knight's Shadow continues the series with a thrilling and dark tale of heroism and betrayal in a country crushed under the weight of its rulers' corruption. A few days after the horrifying murder of a duke and his family, Falcio val Mond, swordsman and First Cantor of the Greatcoats, begins a deadly pursuit to capture the killer. But

Read Online Tyrants Throne The Greatcoats Book 4

Falcio soon discovers his own life is in mortal danger from a poison administered as a final act of revenge by one of his deadliest enemies. As chaos and civil war begin to overtake the country, Falcio has precious little time left to stop those determined to destroy his homeland.

'One hell of a good book' Conn Iggulden The Greatcoats have found the heir to the throne . . . but now they must keep her alive, against all the odds. Falcio Val Mond has completed the final task given to him by the late King Paelis: he has found the King's Charoites (well, one at least). But his task isn't over, and now he, Kest and Brasti must protect the girl from those her want her dead. That would be simple enough, if it weren't for the renegade Knights and legendary Dashini assassins, getting in their way, not to mention the Dukes, who are desperate to hold on to their power at any cost, or Trin, the merciless daughter of the ruthless Duke of Rijou and the cruel Duchess of Hervor, who is determined to be Queen of Tristia. Of course, the fact that the heir to the throne is thirteen years old doesn't help, nor the fact that every day brings Falcio closer to dying from the poison running through his veins. And then there is the Greatcoats Lament . . .

'One hell of a good book' - Conn Iggulden The Greatcoats - legendary heroes, arbiters of justice . . . or notorious traitors? The Greatcoats are travelling magistrates bringing justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their Greatcoats in tatters. Falcio, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade.

Swordplay, magic, intrigue and friendships stronger than iron: the first book in a new swashbuckling fantasy series by the bestselling author of The Greatcoats. Damelas Shademantaigne picked a poor night to flee a judicial duel. He has precious little hope of escaping the wrath of Vixen, the most feared duelist in the entire city, until he stumbles through the stage doors of the magnificent Operato Belleza and tricks his way into the company of actors. An archaic law provides temporary respite from his troubles--until one night a ghostly voice in his head causes Damelas to fumble his lines, inadvertently blurting out the dreadful truth: the city's most legendary hero may actually be a traitor and a brutal murderer. With only the help of his boisterous and lusty friend Bereto, a beautiful assassin whose target may well be Damelas himself, and a company of misfit actor who'd just as soon see him dead, this failed son of two Greatcoats must somehow find the courage within himself to dig up long-buried truths before a ruthless band of bravos known as the Iron Orchids comes for his head. Oh, and there's the that matter of the Vixen waiting to duel him...

A failed mage turned outlaw must use guile and a handful of spells to challenge a dangerous rival in the second book of an exciting adventure fantasy series from Sebastien de Castell. Forced to live as an outlaw, Kellen relies on his wits and his allies to survive the unforgiving borderlands. When he meets a young woman cursed with a deadly plague, he feels compelled to help. But her secrets draw powerful enemies and it's not long before Kellen is entangled in a conspiracy of blackmail, magic, and murder. As the bodies begin to pile up, Kellen fears he's next. A failed mage learns that just because he's not the chosen one it doesn't mean he can't be a hero in final book of the Spellslinger series. Once an outlaw spellslinger, Kellen Argos has made a life for himself as the Daroman Queen's protector. A little magic and a handful of tricks are all it takes to deal with the constant threats to her reign. But when rumors of an empire-shattering war begin to stir, Kellen is asked to commit an unimaginable act to protect his queen. Inside enemy territory, he quickly realizes something is amiss. Someone is playing a dangerous game. And to discover their secrets, Kellen will have to challenge the greatest spellcaster who's ever lived. Kellen's misadventures concludes in Crownbreaker, the riveting finale to the adventure fantasy series that began with Spellslinger. Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

A would-be mage with no magic of his own has to defeat powerful enemies with only cunning and deception in the first book of an exciting adventure fantasy series from Sebastien de Castell. Kellen is moments away from facing his first duel and proving his worth as a spellcaster. There's just one problem: his magic is fading. Facing exile unless he can pass the mage trials, Kellen is willing to risk everything -- even his own life -- in search of a way to restore his magic. But when the enigmatic Ferius Parfax arrives in town, she challenges him to take a different path. One of the elusive Argosi, Ferius is a traveller who lives by her wits and the cards she carries. Daring, unpredictable, and wielding magic Kellen has never seen before, she may be his only hope. The first novel in a compelling six-book series, bursting with tricks, humor, and a whole new way to look at magic.
